LEVELS OF ENGAGEMENT

Elevate is CT's quality improvement system, developed to provide support to child care providers to solve the challenges they have right now. Providers have options to choose from, and can engage with Elevate at their own level. All options are free and optional.

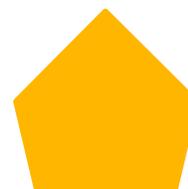

The three levels of engagement Elevate offers are as follows:

Member

Member +

Member
ACCREDITED

MEMBER

You are a Trusted Licensed Care (TLC) Provider who meets health and safety standards; have full access to Elevate materials and programs through the OEC's website; and have full access to connect with a designated Service Navigator to help you with tools and supports.

MEMBER +

All of the Member perks, plus you have developed an Elevate Program Plan, committing to 1-3 SMART goals; and are taking steps to continuous improvement with staff, business, and children's learning.

MEMBER ACCREDITED

All of the Member and Member+ perks, plus you have fulfilled the Elevate Program Plan; have achieved and are maintaining accreditation; and are continuously improving and utilizing Elevate resources.
