Will OEC consider extending the December 5 th deadline for the application to be submitted?	To accommodate for the challenges some programs have had accessing the application, the OEC will extend the deadline for submission to December 12 th , 2024.
My baseline funding amount does not seem accurate based on the 5-Step Baseline formula process.	If you have calculated your baseline amount using the 5 – Step Baseline calculation process, using your actual utilization data from ECE reporter and funds earned and there is a discrepancy between OEC’s baseline amount and your calculations for baseline amount, please email (oeq.app.eceqi@ct.gov) with documentation of funds earned for FY23 and FY 24 and a written justification for an increase in baseline funding.
