(Page 22)</p> <p>We cannot locate the budget template. Could you please direct us to where we can find it?</p> <p>The RFP refers to the OEC standard budget template. Is this template required and is it available online?</p>	<p><b>YES.</b> The Template is required. OEC requests that Respondents use the Uniform Chart of Accounts (UCOA) found here: <a href="https://portal.ct.gov/OPM/Fin-POS/Standards/POS-Information">https://portal.ct.gov/OPM/Fin-POS/Standards/POS-Information</a> under Purchase of Service (POS) - G.2 Uniform Chart of Accounts and Electronic Workbook.</p>

July 19	<p>Does the 10% cap on administrative funds refer to Administrative and General Costs? (Page 15)</p> <p>How are administrative costs defined for the purposes of capping these expenses?</p>	<p><b>YES. Per the Uniform Chart of Accounts, Administrative and General (Line 7100) is defined as,</b> "A&amp;G costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Because of the diverse characteristics and accounting practices of organizations, it is not possible to specify the types of cost that may be classified as A&amp;G costs in all situations. In addition, there is no universal definition of A&amp;G costs in federal OMB circulars, GAAP, or other cost accounting standards. Therefore, for the purposes of these cost standards, A&amp;G is defined as those costs that have been incurred for the overall executive and administrative offices of the organization or other expenses of a general nature that do not relate solely to any major cost objective of the organization. They are costs that by their nature are administrative in support of the overall organization. These costs must be identified and defined in the provider board approve cost allocation plan."</p>

RESPONSE DATE	QUESTIONS	ANSWERS
July 26	<p>Regarding staffing:</p> <ul style="list-style-type: none"> <li>○ If FTE is stated in Attachment A, are we limited to this number? For example, Activity 1SW explicitly requires 2 FTE staff members. Are we limited to 2 FTE staff members for this activity?</li> <li>○ Does "additional staff must also perform work across each of the activities identified above" mean that we can include additional FTE for an activity but that any additional FTE must have all of the same duties as the "base" FTE? Please clarify.</li> </ul>	<p><b>NO.</b> If Full Time Equivalent (FTE) is stated in Attachment A the contractor is not limited to the exact number. The combined time of the staff members must equal the appropriate number of FTEs. However, if specified, there may be a cap to the number of staff members.</p> <p><b>YES.</b> Any staff assigned to implement Activity 1 must perform at least a portion of the work across all activities listed in the scope of work. OEC is not seeking staffing structures that assign specific categories of the work to each individual (e.g. we do not want one staff person to perform site visits while another conducts group meetings).</p>
July 26	<p>Regarding margin/profit:</p> <ul style="list-style-type: none"> <li>○ Is margin/profit allowable?</li> <li>○ If yes, is this considered an administrative expense?</li> </ul>	<p>Funding is for expenditures associated with the implementation and delivery of services and must be justified in the budget according to allowable expenses outlined by each activity.</p>
July 26	<p>Can the coordinating entity for the activities (scope of work) in RFP also provide the direct services that are to be provided by qualified individuals?</p>	<p>The coordinating entity can assign entity staff and/or sub-contract, where allowable, the direct service associated with the activity. Any individual providing direct service (sub-contractors or entity staff) must meet the approval criteria.</p>
July 26	<p>On page 22 of the RFP in Section E. Attachments it says, "Résumés of Key Personnel may be requested <i>but not necessary to attach at this time.</i>"</p> <p>On page 33 of the RFP under <i>Required Attachments</i>, it says, "Résumés of Key Personnel".</p> <p>Are resumes required to be submitted with the RFP or as requested?</p>	<p>Résumés are not required but may be requested.</p>
July 26	<p>If applying for Consulting Supports under Activity 1, if we need to use a facilitator, how does it impact their FTE caseload? Is this above and beyond, their regular AFP work/day to day workload?</p>	<p>The Contractor is responsible for assigning work to their employees. It would be reasonable that an employee assigned to lead the development and state-wide coordination of the consulting supports activity would have a lesser caseload for the other areas of work of the AQIS activities.</p>
July 26	<p>Will electronic signatures be acceptable?</p>	<p>The signature must be a <b>real</b> signature either via physically signing and scanning the page for upload, e-verified signature (i.e., Adobe, DocuSign, etc.), or a cut and paste of your actual signature. <b>A typed signature will be denied.</b></p>
