

NEW Early Childhood Resource

- Early Childhood teachers, providers, and directors, do you have questions about families struggling with housing and homelessness?
- Are you dealing with families with young children that have different living arrangements?
- Are you not sure where to refer families with housing needs?

Email us any concerns or questions to see if we can help you! Support is confidential, free, and offered by two Early Childhood specialists with knowledge of the McKinney-Vento Homeless Assistance Act. Learn about resources and programs to support the development/mental health of very young children.

EdAdvance staff are always here to support you with your questions and concerns on the McKinney-Vento Act.
