

Child Care Center Administrator BCIS Roster Management

Who needs a background check?

Childcare programs are required to submit background checks if they are:

- Licensed child care centers and group child care homes
- Licensed family child care homes
- License-exempt child care facilities (like those run by schools or towns) that receive funding from Care 4 Kids

People who need a background check at least every five years include:

- Child care staff members, including employees and volunteers age 16 and older who care for children or have unsupervised access to children
- Family child care home providers, assistants, and substitutes
- Everyone ages 18 or older who lives in a licensed family child care home

Why do I need a background check?

It's all about safety. Children thrive when they are cared for by people they trust in a secure, safe environment. That's why OEC completes comprehensive background checks on people who provide direct care to children in Connecticut (as well as household members age 18 and older in family child care homes).

We make sure that they do not have a history of criminal or sexual offenses, child abuse, or neglect that could make them unsuited to provide care to children or have access to children.

Important Facts:

- A completed background check includes not only the submission of the required forms and fingerprints, but the results of these checks must be received and recorded.
- The submission and review of your background checks requires that you submit all the required documentation and information as laid out in the instructions below.

Where Do I Begin?

Introducing BCIS

The Background Check Information System (BCIS) is a tool to help you submit required information to OEC. It dramatically streamlines the process of getting a background check for Child Carestaff.

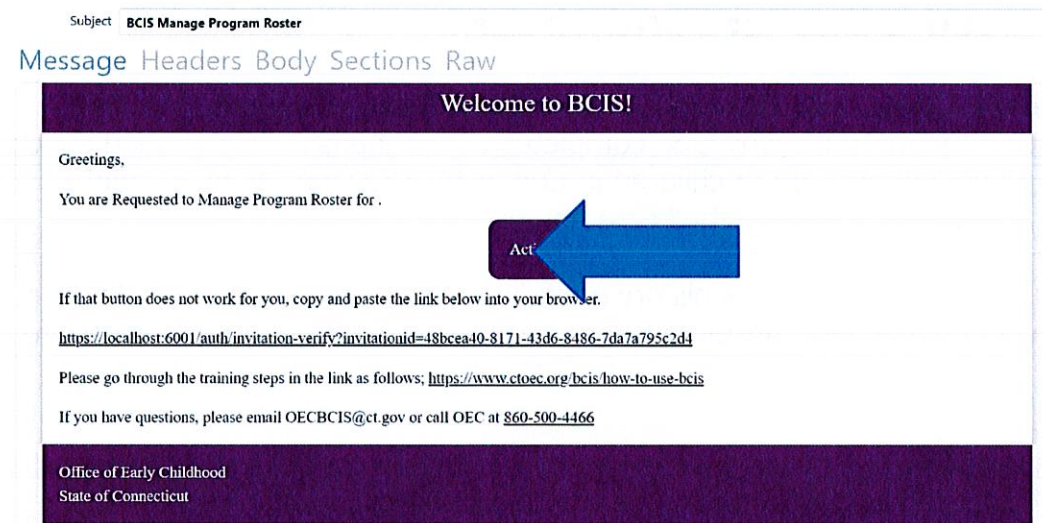

Before you begin

Make sure to use an up-to-date browser like Chrome, Edge, Firefox, or Safari with BCIS. Note that BCIS will **not** work with Microsoft Internet Explorer. Microsoft has officially retired Internet Explorer — it's no longer updated or supported.

1. Check your email for an invitation to create an account

OEC will send you an invitation to be an Administrator for your licenses BCIS Roster.

When you receive this email click on the ACTIVATE button.

If you do not receive the email, please check your spam or junk folder. If you still have not received the email, please contact OEC legal at oeclbc@ct.gov for assistance.

2. Create your account

Once you click the link, you'll enter your email address, create a password, and click Register

BCIS Account Registration

A valid e-mail address is required to use this service.

If you are already registered, go to the [login screen](#).

Once you have registered, please check your e-mail inbox for the **account verification e-mail**. You will not be able to use your account until verification is completed.

Then check your email again. You should see an email from oecbcis@ct.gov with the subject "BCIS Confirm your account." Open that email and click the button to "verify your account." ****THIS IS AN OUTGOING MAILBOX AND IT IS UNATTENDED. PLEASE DO NOT REPLY TO THIS EMAIL OR USE THIS EMAIL ADDRESS TO SEND US AN EMAIL ****

Example of the second email to verify your account

Now, you can login with the password you created. You'll be asked to confirm your date of birth for security purposes.

3. Managing your program roster

Click the **roster** tab from the left menu: This will allow you to see all the Staff that have information in BCIS. As the Administrator of your programs BCIS account, you will be able to manage everyone's background checks. The next

several pages will take you through the steps of managing background checks, updating your own information, inviting new staff to your roster, invite staff members to complete a background check and completing a background check.

IMPORTANT ITEMS TO REMEMBER:

1. Please make sure that each staff member on your roster has their own individual email address. The system only allows an email address to be used for one account.
2. In order for the individual that you have invited to BCIS to show up on your roster they **MUST** follow in the instructions in the two emails they will receive. (Please Staff Instructions for detailed information on these steps)

Requesting Background Checks from Staff Members

All program administrators will be responsible for managing their background checks, as well as the background checks of their staff. Upon logging into your BCIS account for the first time, please note the status of the background checks of all those on your roster. The status of everyone on your roster can be found in the STATUS column next to their name. The date in that column will either be a date in the future, indicating that this is when your background is due to expire.

The screenshot shows the BCIS Roster page. The 'Status' column contains the following data:

Name	Status	Expiration Date	Role	Action
TestDermis.BCUser1	Expired	02/01/2022	Staff	Request Background Check
TestDermis.BCUser2	Current	01/01/2021	Staff	Request Background Check
TestDermis.BCUser3	Current	01/01/2021	Staff	Request Background Check

(Please note that the names of any individual who will be expiring within the next six months will be highlighted in yellow) OR it will be the current date, indicating that the background check for that individual has expired in the past and this person does not have a **CURRENT** background check. (Please note that those who have an expired background check will be highlighted in red). Please see the end of these instructions for the various background checks and what they mean.

If any of the staff members on your roster have a Needs Background Check Status or will be expiring within 6 months you will send them a request to complete a background check using BCIS.

1. When looking at your roster, you will see the purple REQUEST BACKGROUND CHECK button for anyone who needs a complete background check. To initiate the background check for this individual you will click on this button and the system will send the individual an automated email asking them to log in and complete the background check.

BACKGROUND CHECK STATUS MEANINGS

The background check status displayed in BCIS is determined by the status of the background check components. Please see below for status definitions:

- a. **CURRENT (CUR)**: The OEC has verified a current background check for this person in BCIS. This individual is eligible to work with children unsupervised or reside in a family care home.
- b. **NEEDS BACKGROUND CHECK (NBC)**: The OEC does not have an updated and current record for this individual in BCIS. This individual can NOT work with children.
- c. **PENDING (PND)**: The OEC is awaiting additional components to complete this individual's background check or is reviewing documentation. This individual can NOT yet begin work with children.
- d. **WORK SUPERVISED (WSP)**: The OEC has received criminal background check results for this individual but at least one other component of their background check is still in progress. Other components include child protective services checks, sex offender registry checks, and out of state checks if this individual has lived in another state in the past five years
 - This individual can begin work with children ONLY if supervised at all times by a staff member who has a Current (CUR) background check noted in BCIS
- e. **BGC XEMPT**: This individual is legally exempt from the background check requirement. This individual is eligible to work with children unsupervised or reside in a family care home.
- f. **AWAITING RESULTS (AWR)**: Background Check components are pending. This status only refers to household members in family care homes.
- g. **INELIGIBLE (INL)**: This individual is ineligible to work with children or reside in a family care home.

How Do I Remove Someone from My Roster?

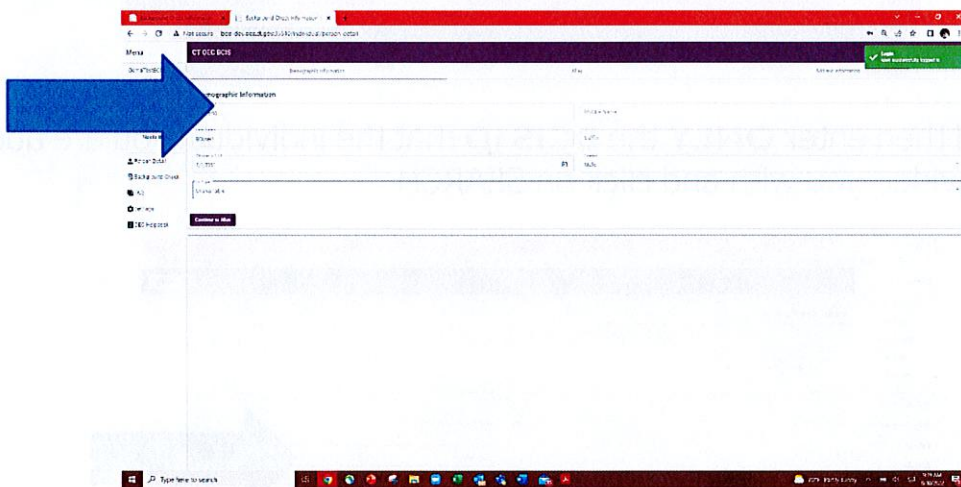

If a staff member is no longer with you, you can remove them from your roster by clicking the trash can at the end of the line where their name appears. This does not delete their record; it just removes them from your roster.

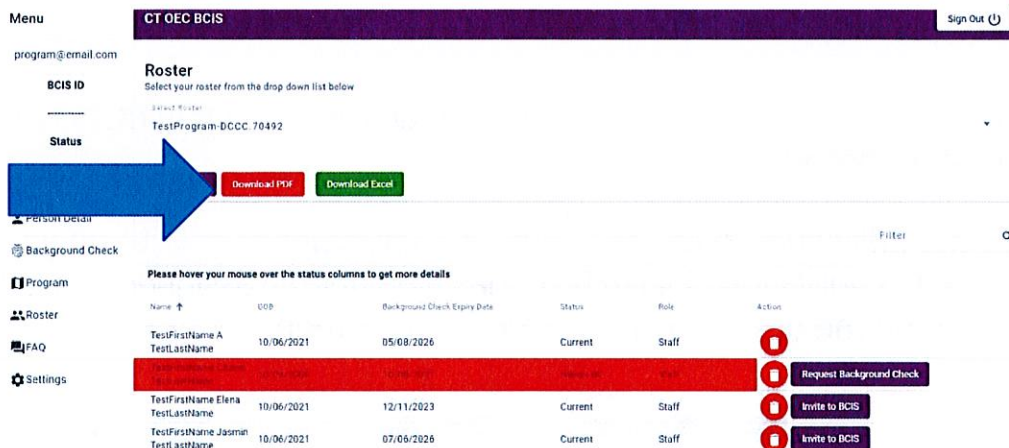

How Do I Add Someone to My Roster Who Has an Active BCIS Account?

If you have a staff member that has an active account in BCIS please follow the steps below:

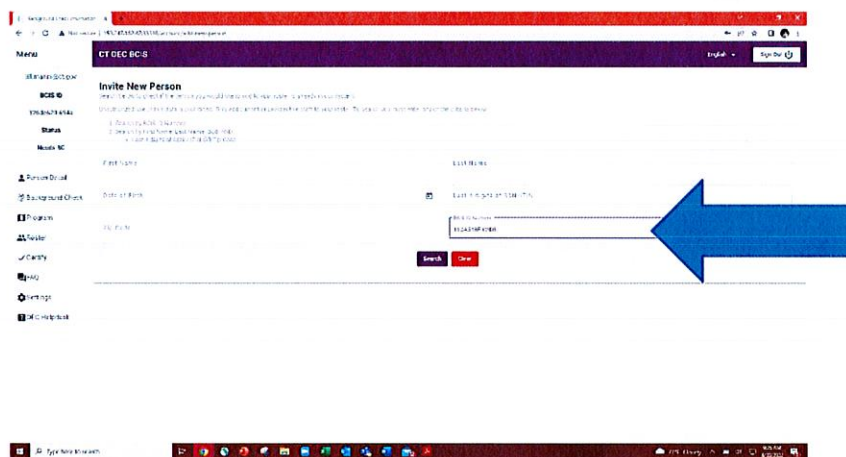

1. Ask the individual to log into their BCIS account and write down their BCIS ID. Every individual in BCIS has a unique ID assigned to them. It is located on the upper left-hand side of the screen.

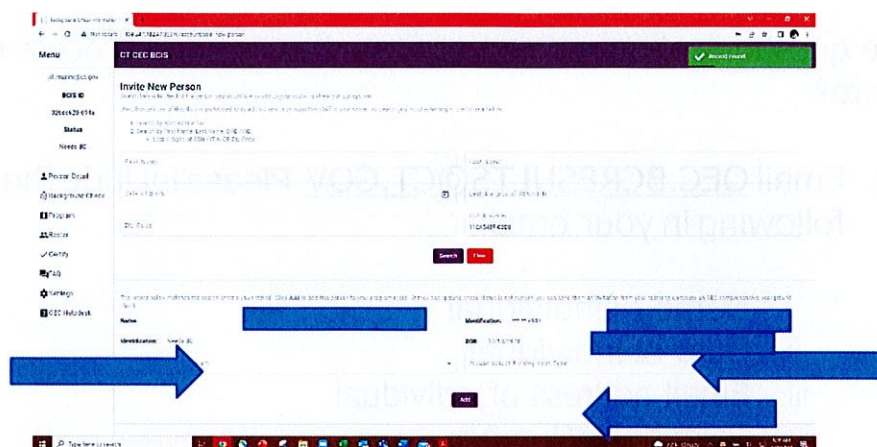

- You will then Log into your Administrator Account and from the roster page, click on the purple ADD PERSON button.

- You will then enter **ONLY** the **BCIS ID** that the individual you are adding has provided you with and click on SEARCH

- When the individual is found the system will ask you if you want to add them to your roster and in which role. Select the appropriate license and role and hit ADD.
