

OEC-APPROVED

EDUCATION CONSULTANTS

CAN NOW BE SEARCHED IN THE OEC REGISTRY!

Simple steps to become part of the statewide digital database

Are you a Connecticut Office of Early Childhood (OEC) approved Education Consultant? The OEC is excited to announce that we are going digital! Now you can verify yourself as an Education Consultant in the Registry.*

Benefits for OEC-approved Education Consultants in the Registry:

- Be searchable by child care providers statewide looking for an OEC-approved Education Consultant.
- Get more business opportunities in your region and throughout Connecticut.
- Receive information from OEC on available training and resources to help you professionally.

CURRENT Education Consultants simply log into your OEC Registry account and get verified in these easy steps:

1. Go to My Role Applications on the left menu, then Apply for OEC Licensing Approved Education Consultant.
2. Choose the second option indicating you are already an approved OEC Licensing Education Consultant and enter the indicated information to help OEC match your account to your certificate.
3. Once matched, you will receive an email with details about your new updated certificate and how you can opt in to share information in the public search.

INTERESTED in becoming an OEC-Approved Education Consultant? Follow these steps:

1. Simply create an OEC Registry account if you do not already have one.
2. Review the requirements under My Role Applications > About Technical Assistance Providers > What is a Technical Assistance Provider
3. Upload the documents needed to meet the requirements in your Registry account. When verified...
4. Apply! When you apply, you will be able to opt in to the public search.

An OEC-approved Education Consultant can log in to their Registry account at any time to manage whether their information is publicly available.

Thank you for supporting the great work of child care professionals throughout CT!

**OEC-approved Education Consultants meet the licensing requirements for education consultants for licensed child care centers and group child care homes.*
