

# FOR NEW DIRECTORS! ASK THE SPECIALIST

## You've Been Designated As A Director!

### NOW THAT YOU ARE A DIRECTOR, YOU MAY HAVE QUESTIONS, SUCH AS:

- ❖ What happens during a licensing inspection and how can I prepare for the visit?
- ❖ What do I need to know about recognizing and addressing indoor and outdoor hazards?
- ❖ How do I organize my paperwork?
- ❖ What is considered a hazard in my child care environment?
- ❖ How do I make sense of the regulations book?
- ❖ Where can I find information and resources that I need?
- ❖ How do I navigate OEC's website?

Free support is offered to newly designated directors of licensed child care programs. Our licensing specialists can offer a visit at your place of business to answer these questions and more!
