

Professional Learning: **YES! It's For You**

The Office of Early Childhood (OEC), Behavioral Health Initiatives will be hosting a webinar focused on engaging in professional learning experiences not only for your personal well-being and growth, but also for the early childhood professional you wish to be, no matter what role you play.

This webinar will promote a sense of value and purpose to engage in professional learning both for the individual and for program growth. It will also heighten awareness around professional learning opportunities.

The session will include:

- Opening remarks from Deborah Adams PhD, Education Consultant, OEC
- Engaging panel discussion to share how to find professional learning opportunities
- Closing remarks from Janet Humphries, MA, Dynamic Coaching Systems
