3/11/25	Some of the prompts refer to attachments that are not listed in the "Proposal Attachments" (Section E) of the RFP. For example, the Budget and Staff Plan Prompt 2 says, "As part of the required attachments, provide a list of your organization's board of directors..." but that list is not included in the "Proposal Attachments" (Section E). Unless an item is specifically listed in the "Proposal Attachments" section, can we assume that it should be included in the main proposal submission (Section D) and be part of the 25-page limit?	<ul style="list-style-type: none">• OEC has amended the RFP to include the list of your organization's Board of Directors as a required attachment. Please see the amended Section E., PROPOSAL ATTACHMENTS on page 28 of the revised RFP.
3/13/25	The RFP asks for attachment files to be combined to the best of our ability. With that in mind, our proposal still has about 5 different files between the Spreadsheets and PDFs. When submitting next week, can I send a .zip file with all files compacted into it, or should attach each file separately to the email?	<ul style="list-style-type: none">• Please refer to pages 20, 25, 36, and 37, of the RFP that provides details of acceptable attachments and style requirements. OEC can accept a zip file as long as the guidelines are followed as stated in the above pages.
