If the Contractor is not required to submit audited annual financial statements, the Agency may utilize the final annual financial report to determine the existence and amount of unexpended funds.
- b. Unexpended funds shall be identified by and returned to the Agency in the following manner:
 - i. Funds paid to the Contractor shall be identified by the Agency's "Special Identification Number" (SID). The payments made by the Agency shall be compared to the expenses reported by the Contractor, by SID as noted on the "Schedule of Expenditures of Financial Assistance" and/or "Schedule of Expenditures of Federal Financial Assistance" or other similar schedule(s) as required by the Federal and State Single Audit acts.

Upon determination by the Agency that the Contractor has performed in accordance with the terms and conditions of the contract, and that the amount and proposed use of the unexpended funds for which a carry forward is being requested are appropriate, the Agency may approve a request to carry forward unexpended federal funds and shall notify the Contractor in writing of such approval. Unexpended federal funds thus approved for carry forward shall not be subject to section a. of this provision provided that the Contractor expends such funds within the allowable time frame established by the funding source. To the extent that this Section conflicts with any other Section, this Section shall govern.

D. Changes to the Contract, Termination, Cancellation and Expiration.

1. Contract Amendment.

- (a) No amendment to or modification or other alteration of this Contract shall be valid or binding upon the parties unless made in writing, signed by the parties and, if applicable, approved by the OAG.
- (b) The Agency may amend this Contract to reduce the contracted amount of compensation if:

- (1) the total amount budgeted by the State for the operation of the Agency or Services provided under the program is reduced or made unavailable in any way; or
 - (2) federal funding reduction results in reallocation of funds within the Agency.
- (c) If the Agency decides to reduce the compensation, the Agency shall send written Notice to the Contractor. Within twenty (20) Days of the Contractor's receipt of the Notice, the Contractor and the Agency shall negotiate the implementation of the reduction of compensation unless the parties mutually agree that such negotiations would be futile. If the parties fail to negotiate an implementation schedule, then the Agency may terminate the Contract effective no earlier than sixty (60) Days from the date that the Contractor receives written notification of Termination and the date that work under this Contract shall cease.

2. Contractor Changes and Assignment.

- (a) The Contractor shall notify the Agency in writing:
- (1) at least ninety (90) days prior to the effective date of any fundamental changes in the Contractor's corporate status, including merger, acquisition, transfer of assets, and any change in fiduciary responsibility;

 - (A) its certificate of incorporation or other organizational document;
 - (B) more than a controlling interest in the ownership of the Contractor; or
 - (C) the individual(s) in charge of the performance.
- (b) No such change shall relieve the Contractor of any responsibility for the accuracy and completeness of the performance. The Agency, after receiving written Notice from the Contractor of any such change, may require such contracts, releases and other instruments evidencing, to the Agency's satisfaction, that any individuals retiring or otherwise separating from the Contractor have been compensated in full or that allowance has been made for compensation in full, for all work performed under terms of the Contract. The Contractor shall deliver such documents to the Agency in accordance with the terms of the Agency's written request. The Agency may also require, and the Contractor shall deliver, a financial statement showing that solvency of the Contractor is maintained. The death of any Contractor Party, as applicable, shall not release the Contractor from the obligation to perform under the Contract; the surviving Contractor Parties, as appropriate, must continue to perform under the Contract until performance is fully completed.
- (c) Assignment. The Contractor shall not assign any of its rights or obligations under the Contract, voluntarily or otherwise, in any manner without the prior written consent of the Agency.
- (1) The Contractor shall comply with requests for documentation deemed to be appropriate by the Agency in considering whether to consent to such assignment.
 - (2) The Agency shall notify the Contractor of its decision no later than forty-five (45) Days from the date the Agency receives all requested documentation.
 - (3) The Agency may void any assignment made without the Agency's consent and deem such assignment to be in violation of this Section and to be in Breach of the Contract. Any cancellation of this Contract by the Agency for a Breach shall be without prejudice to the Agency's or the State's rights or possible claims against the Contractor.

3. Breach.

- (a) If either party Breaches this Contract in any respect, the non-breaching party shall provide written notice of the Breach to the breaching party and afford the breaching party an opportunity to cure within ten (10) Days from the date that the breaching party receives the notice. In the case of a Contractor Breach, the Agency may modify the ten (10) day cure period in the notice of Breach. The right to cure period shall be extended if the non-breaching party is satisfied that the breaching party is making a good faith effort to cure, but the nature of the Breach is such that it cannot be cured within the right to cure period. The Notice may include an effective Contract cancellation date if the Breach is not cured by the stated date and, unless otherwise modified by the non-breaching party in writing prior to the cancellation date, no further action shall be required of any party to effect the cancellation as of the stated date. If the notice does not set forth an effective Contract cancellation date, then the non-breaching party may cancel the Contract by giving the breaching party no less than twenty four (24) hours' prior written Notice after the expiration of the cure period.
- (b) If the Agency believes that the Contractor has not performed according to the Contract, the Agency may:
- (1) withhold payment in whole or in part pending resolution of the performance issue, provided that the Agency notifies the Contractor in writing prior to the date that the payment would have been due in accordance with the budget;
 - (2) temporarily discontinue all or part of the Services to be provided under the Contract;
 - (3) permanently discontinue part of the Services to be provided under the Contract;

- (4) assign appropriate State personnel to provide contracted for Services to assure continued performance under the Contract until such time as the contractual Breach has been corrected to the satisfaction of the Agency;
 - (5) require that contract funding be used to enter into a subcontract with a person or persons designated by the Agency in order to bring the program into contractual compliance;

 - (7) any combination of the above actions.
- (c) The Contractor shall return all unexpended funds to the Agency no later than thirty (30) calendar days after the Contractor receives a demand from the Agency.
 - (d) In addition to the rights and remedies granted to the Agency by this Contract, the Agency shall have all other rights and remedies granted to it by law in the event of Breach of or default by the Contractor under the terms of this Contract.
 - (e) The action of the Agency shall be considered final. If at any step in this process the Contractor fails to comply with the procedure and, as applicable, the mutually agreed plan of correction, the Agency may proceed with Breach remedies as listed under this section.
4. **Non-enforcement Not to Constitute Waiver.** No waiver of any Breach of the Contract shall be interpreted or deemed to be a waiver of any other or subsequent Breach. All remedies afforded in the Contract shall be taken and construed as cumulative, that is, in addition to every other remedy provided in the Contract or at law or in equity. A party's failure to insist on strict performance of any section of the Contract shall only be deemed to be a waiver of rights and remedies concerning that specific instance of performance and shall not be deemed to be a waiver of any subsequent rights, remedies or Breach.
5. **Suspension.** If the Agency determines in its sole discretion that the health and welfare of the Clients or public safety is being adversely affected, the Agency may immediately suspend in whole or in part the Contract without prior notice and take any action that it deems to be necessary or appropriate for the benefit of the Clients. The Agency shall notify the Contractor of the specific reasons for taking such action in writing within five (5) Days of immediate suspension. Within five (5) Days of receipt of this notice, the Contractor may request in writing a meeting with the Agency Head or designee. Any such meeting shall be held within five (5) Days of the written request, or such later time as is mutually agreeable to the parties. At the meeting, the Contractor shall be given an opportunity to present information on why the Agency's actions should be reversed or modified. Within five (5) Days of such meeting, the Agency shall notify the Contractor in writing of his/her decision upholding, reversing or modifying the action of the Agency head or designee. This action of the Agency head or designee shall be considered final.
6. **Ending the Contractual Relationship.**
- (a) This Contract shall remain in full force and effect for the duration of its entire term or until such time as it is terminated earlier by either party or cancelled. Either party may terminate this contract by providing at least sixty (60) days prior written notice pursuant to the Notice requirements of this Contract.
 - (b) The Agency may immediately terminate the Contract in whole or in part whenever the Agency makes a determination that such termination is in the best interest of the State. Notwithstanding Section D.2, the Agency may immediately terminate or cancel this Contract in the event that the Contractor or any subcontractors becomes financially unstable to the point of threatening its ability to conduct the services required under this Contract, ceases to conduct business in the normal course, makes a general assignment for the benefit of creditors, suffers or permits the appointment of a receiver for its business or its assets.
 - (c) The Agency shall notify the Contractor in writing of Termination pursuant to subsection (b) above, which shall specify the effective date of termination and the extent to which the Contractor must complete or immediately cease performance. Such Notice of Termination shall be sent in accordance with the Notice provision contained on page 1 of this Contract. Upon receiving the Notice from the Agency, the Contractor shall immediately discontinue all Services affected in accordance with the Notice, undertake all reasonable and necessary efforts to mitigate any losses or damages, and deliver to the Agency all Records as defined in Section A.14, unless otherwise instructed by the Agency in writing, and take all actions that are necessary or appropriate, or that the Agency may reasonably direct, for the protection of Clients and preservation of any and all property. Such Records are deemed to be the property of the Agency and the Contractor shall deliver them to the Agency no later than thirty (30) days after the Termination of the Contract or fifteen (15) days after the Contractor receives a written request from the Agency for the specified records whichever is less. The Contractor shall deliver those Records that exist in electronic, magnetic or other intangible form in a non-proprietary format, such as, but not limited to ASCII or .TXT.
 - (d) The Agency may terminate the Contract at any time without prior notice when the funding for the Contract is no longer available.
 - (e) The Contractor shall deliver to the Agency any deposits, prior payment, advance payment or down payment if the Contract is terminated by either party or cancelled within thirty (30) days after receiving demand from the Agency. The Contractor shall return to the Agency any funds not expended in accordance with the terms and conditions of the Contract and, if the Contractor fails to do so upon demand, the Agency may recoup said funds from any future payments owing under this Contract or any other contract between the State and the Contractor. Allowable costs, as detailed in audit findings, incurred until the date of termination or cancellation for operation or transition of program(s) under this Contract shall not be subject to recoupment.
7. **Transition after Termination or Expiration of Contract.**

- (a) If this Contract is terminated for any reason, cancelled or it expires in accordance with its term, the Contractor shall do and perform all things which the Agency determines to be necessary or appropriate to assist in the orderly transfer of Clients served under this Contract and shall assist in the orderly cessation of Services it performs under this Contract. In order to complete such transfer and wind down the performance, and only to the extent necessary or appropriate, if such activities are expected to take place beyond the stated end of the Contract term then the Contract shall be deemed to have been automatically extended by the mutual consent of the parties prior to its expiration without any affirmative act of either party, including executing an amendment to the Contract to extend the term, but only until the transfer and winding down are complete.
- (b) If this Contract is terminated, cancelled or not renewed, the Contractor shall return to the Agency any equipment, deposits or down payments made or purchased with start-up funds or other funds specifically designated for such purpose under this Contract in accordance with the written instructions from the Agency in accordance with the Notice provision of this Contract. Written instructions shall include, but not be limited to, a description of the equipment to be returned, where the equipment shall be returned to and who is responsible to pay for the delivery/shipping costs. Unless the Agency specifies a shorter time frame in the letter of instructions, the Contractor shall affect the returns to the Agency no later than sixty (60) days from the date that the Contractor receives Notice.

III. GRANT-SPECIFIC TERMS

- A. As required by the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109–282), as amended by section 6202 of Public Law 110–252, recipients must report information for each subaward of \$25,000 or more in Federal funds and executive total compensation as outlined in Appendix A to 2 CFR Part 170 (<http://www.hrsa.gov/grants/ffata.html>). The FFATA reporting requirements apply for the duration of the project period and so include all subsequent award actions to aforementioned HRSA grants and cooperative agreement awards (e.g., Type 2 (competing continuation), Type 5 (noncompeting continuation), etc.). Subawards to individuals are exempt from these requirements.
- B. Effective December 26, 2014, all references to OMB Circulars for the administrative and audit requirements and the cost principles that govern Federal monies associated with this award are superseded by the Uniform Guidance 2 CFR 200 as codified by HHS at 45 CFR 75.
- C. The requirements of 48 CFR section 3.908 (found at <http://www.ecfr.gov>) implementing section 828 of the National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112239, enacted January 2, 2013) entitled “Pilot Program for Enhancement of Contractor Employee Whistleblower Protections” apply to this award. This notice requires that grantees inform their employees in writing of employee whistleblower rights and protections under [41 U.S.C. 4712](#) in the predominant native language of the workforce. The details of [41 U.S.C. 4712](#) can be found at <http://uscode.house.gov/browse.xhtml> . (regarding 48 CFR section 3.908, note that use of the term “contract,” “contractor,” “subcontract,” or “subcontractor” for the purpose of this term, should read as “grant,” “grantee,” “subgrant,” or “subgrantee”).
- D. No more than 10 percent of the award amount may be spent on administrative expenditures. The requirements of the Social Security Act, §504(d) (relating to a limitation on administrative expenditures) apply to this award. Of the amounts paid to a state under §503 from an allotment for a fiscal year under §502(c), not more than 10 percent may be used for administering the funds paid under such section.

Per §511 [42 U.S.C 711] (i)(2)(C) of the Social Security Act, MIECHV grants need to be administered "in the same manner" as the MCH Block Grant. The administration of the MCH Block Grant is governed by 45 CFR Part 96 which states that "a State shall obligate and expend block grant funds in accordance with the laws and procedures applicable to the obligation and expenditure of its own funds" (45 CFR 96.30(a)). In consequence, grantees will determine which expenses are "administrative" according to the laws and rules of their states.

- E. Funds awarded to any subcontractor, subrecipient or recipient by the Department of Health and Human Services shall not be expended for research involving human subjects, and individuals shall not be enrolled in such research without an assurance by the Office of Human Research Protections (<http://www.hhs.gov/ohrp/about/index.html>) that the studies comply with the requirements of 45 CFR Part 46 to protect Human Research subjects. This restriction applies to all collaborating sites without OHRP Approved Assurances, whether domestic or foreign; compliance must be ensured by the awardee
- F. Funds provided to an eligible entity receiving a grant shall supplement, and not supplant, funds from other sources for early childhood home visitation program or initiatives. The grantee must agree to maintain nonfederal funding (State Grant Funds) for grant activities at a level which is not less than expenditures for such activities as of the most recently completed fiscal year.
- G. The MIHOPE project—led by the Administration for Children and Families in collaboration with the Health Resources and Services Administration—is the legislatively mandated national evaluation of the Home Visiting program. This evaluation will provide information about the effectiveness of the MIECHV program in improving outcomes for children and families. The grantee has assured participation in any national evaluation activities, if selected to participate.
- H. Per statute, funds made available to a grantee for a fiscal year shall remain available for expenditure by the grantee through the end of the second succeeding fiscal year after award. Funds awarded during Federal fiscal year 2015 (funds awarded on 3/01/2015) that have not been obligated prior to September 30, 2017 will be deobligated. They may not be carried over into a subsequent fiscal year.

- G. To serve persons most in need and to comply with Federal law, services must be widely accessible. The HHS Office for Civil Rights provides guidance to grant and cooperative agreement recipients on complying with civil rights laws that prohibit discrimination on these bases. Please see <http://www.hhs.gov/ocr/civilrights/understanding/index.html>. HHS also provides specific guidance for recipients on meeting their legal obligation under Title VI of the Civil Rights Act of 1964, which prohibits discrimination on the basis of race, color or national origin in programs and activities that receive Federal financial assistance (P. L. 88-352, as amended and 45 CFR Part 80). In some instances a recipient's failure to provide language assistance services may have the effect of discriminating against persons on the basis of their national origin. Please see <http://www.hhs.gov/ocr/civilrights/resources/laws/revisedlep.html> to learn more about the Title VI requirement for grant and cooperative agreement recipients to take reasonable steps to provide meaningful access to their programs and activities by persons with limited English proficiency.
- H. Important Notice: The Central Contractor registry (CCR) has been replaced. The General Services Administration has moved the CCR to the System for Award Management (SAM) on July 30, 2012. To learn more about SAM please visit <https://www.sam.gov>.

It is incumbent that you, as the recipient, maintain the accuracy/currency of your information in the SAM at all times during which your entity has an active award or an application or plan under consideration by HRSA, unless your entity is exempt from this requirement under 2 CFR 25.110. Additionally, this term requires your entity to review and update the information at least annually after the initial registration, and more frequently if required by changes in your information. This requirement flows down to subrecipients. Note: SAM information must be updated at least every 12 months to remain active (for both grantees and subrecipients). Grants.gov will reject submissions from applicants with expired registrations. It is advisable that you do not wait until the last minute to register in SAM or update your information. According to the SAM Quick Guide for Grantees (https://www.sam.gov/sam/transcript/Quick_Guide_for_Grants_Registrations.pdf), an entity's registration will become active after 35 days. Therefore, check for active registration well before the application deadline.
