The Department of Emergency Services and Public Protection is working to meet the needs of OEC and DPH fingerprint applicants by piloting these Saturday collection hours. After the initial four Saturday sessions have been completed, DESPP will assess whether or not to continue this service.

Child care providers, staff members, volunteers, and household members who need to submit fingerprints for an OEC background check can take advantage of this option for Saturday fingerprinting. The OEC will also be announcing additional options for fingerprinting soon.
