General Policy B-01**

**Fee Schedule**

- OEC Child Day Care Contractors
  - OEC School Readiness Program
  - OEC State Head Start Supplement
  - OEC Smart Start
- 

General Policy B-01 (GP B-01) applies to School Readiness sub-grantees (Priority and Competitive Programs), Child Day Care contractors and sub-contractors, and Smart Start grantees. The Fee Schedule provided by the OEC and issued as of November 1, 2023, is based on State Median Income (SMI) levels published annually in the *Federal Register*. Changes to fees charged based upon the issued Fee Schedule shall become effective January 1, 2024:

- For newly enrolled families: All families enrolled on or after January 1, 2024, should pay family fees based on the new Fee Schedule.
- For currently enrolled families: Families will start paying fees based on the new Fee Schedule at the date of their next income redetermination, at the latest.
  - OEC-funded early care and education programs may charge families based on the new fee schedule before the next redetermination, provided families are given 30 days' notice.

OEC-funded early care and education programs should refer to General Policy B-02 ([GP B-02](#)) for explicit information on implementation of the Fee Schedule.

## OEC FEE SCHEDULE

### Space Types:

- Infant/Toddler Care: Full-time and Wrap-Around
- Preschool Care: Full-time/Full-day, Part-time/Part-day, School-day, Wrap-Around
- School Age Care: Full-time & Wrap-Around; Blended

### Instructions:

1. Refer to [General Policy B-02](#) to determine family size and gross annual family income.
2. Find the column with the correct Family Size.
3. Then find the Gross Family Annual Income (within the range) shown in the column with the correct family size.
4. Look to the right of the row of the income and family size to find the percentage of annual income to be used to calculate the family fee, according to the funding and space type.
5. Multiple the percentage to be charged by the gross annual family income. This equals the annual family fee.
6. To calculate the weekly family fee, divide the annual family fee by 52 and round up to the nearest whole dollar.

### Example:

Family enrolling in a full-time preschool SR space

Family Size: 6

Gross Annual Family Income: \$75,000

% SMI = 41% - 44%

% of Annual Income to Determine Family Fee = 8%

$\$75,000 \times .08 = \$6,000$  Annual Family Fee

$\$6,000/52$  weeks = \$115.38/week

Round up to nearest whole dollar

Weekly Family Fee = \$116
