KEEPING YOUR KIDS SAFE

Here’s what we’re doing to make sure your children stay safe and healthy:

- Staying home if sick or have symptoms.
- Washing hands before entering and throughout the day.
- Keeping class sizes to 14 or less to allow more space in classrooms.
- All staff will wear facemasks.
- Increasing cleaning and disinfecting, including high touch areas and shared materials.
- Working with families to teach children healthy habits.
- Staggering drop-off and pick-up times.
- Keeping groups separate.
- Avoiding touching our mouths, noses, and eyes.
