

## Student Medical Exemption Certificate for Required Immunizations

Name of Primary Care Provider granting exemption: \_\_\_\_\_

Please check one (practitioner granting exemption must be licensed as one of the following):

Physician (MD or DO)     Physician Assistant     APRN

CT License number: \_\_\_\_\_

NPI: \_\_\_\_\_

Phone number: \_\_\_\_\_ Email: \_\_\_\_\_

### Directions:

**Part 1.** Please complete the demographics section on the patient/student.

**Part 2.** Please mark the contraindications/precautions that apply to this patient/student (indicate all that apply).

**Part 3.** If no contraindications or precautions apply in part 2, write a brief explanation of the reason the patient/student requires the exemption.

**Part 4.** Sign the Statement of Clinical Opinion and date the form.

**Attach** a copy of the patient/student's most current immunization record.

### Part 1. Patient/Student Information:

First name (in full) \_\_\_\_\_ Middle initial \_\_\_\_\_ Last name \_\_\_\_\_

Date of Birth \_\_\_\_\_

Mailing Address \_\_\_\_\_ City \_\_\_\_\_

State \_\_\_\_\_ Zip \_\_\_\_\_

Parent/Guardian: First Name \_\_\_\_\_ Last name \_\_\_\_\_

Primary phone number \_\_\_\_\_

School name \_\_\_\_\_

School address \_\_\_\_\_

City \_\_\_\_\_

State \_\_\_\_\_ Zip \_\_\_\_\_

Current or Grade student is entering \_\_\_\_\_

**Part 2.** Please mark the vaccine(s), exemption duration, and all contraindications/precautions that apply to this patient/student for each vaccine.

Medical contraindications and precautions for immunizations are based upon the Advisory Committee on Immunization Practices (ACIP) [Comprehensive General Recommendations and Guidelines](#), published by the Centers for Disease Control and Prevention.

A **contraindication** is a condition in a recipient that increases the risk for a serious vaccine adverse event (VAE) or compromises the ability of the vaccine to produce immunity.

A **precaution** is a condition in a recipient that might increase the risk for a serious VAE or that might compromise the ability of the vaccine to produce immunity. Under normal conditions, vaccinations are deferred when a precaution is self-limiting, but can be administered if the precaution condition improves.

### Part 3. Other Allergic Reactions/ Other Type of Medical Condition

Complete this section if claiming a medical exemption for a vaccine based on a condition that does meet any of the ACIP criteria for a contraindication or precaution listed in part 2.

Vaccine(s), list all that apply: \_\_\_\_\_

For each vaccine listed above, select the allergic or other reaction for which medical exemption is being submitted. Please check off any of the following that apply:

- This patient has an autoimmune disorder
- This patient has a family history of an autoimmune disorder
- This patient has a family history of a reaction to a vaccination
- This patient has a genetic predisposition to a reaction to a vaccination as determined through genetic testing
- This patient has a previous documented reaction that is correlated to a vaccination
- Other condition/reaction not listed above (must specify): \_\_\_\_\_

Please provide an explanation of the reaction/condition listed above:

**Part 4. Statement of Clinical Opinion**

In accord with the legal requirements of Public Act 21-6, the vaccine(s) indicated above is/are in my clinical opinion medically contraindicated for this patient/student due to the physical condition as explained above.

A person may be placed into quarantine or isolation when there are “reasonable grounds to believe [a person] to be infected with, or exposed to, a communicable disease or to be contaminated or exposed to contamination or at reasonable risk of having a communicable disease or being contaminated or passing such communicable disease or contamination to other persons if the commissioner determines that such individual or individuals pose a significant threat to the public health and that quarantine or isolation is necessary and the least restrictive alternative to protect or preserve the public health.” [Conn. Gen. Stat. § 19a-131b\(a\)](#).
