Connecticut General Statutes-Revised to January 1, 2023

Statutes are revised to January 1 of odd numbered years and therefore should be read in conjunction with Public Acts that have been enacted since the last revision date. A list of recently enacted Public Acts that directly impact the child care licensure program can be found at www.ct.gov/oec/daycare under Statutes and Regulations.

Sec. 19a-77. “Child care services” defined. Exclusions. Additional license. (a) As used in this section and sections 19a-77a to 19a-80, inclusive, and sections 19a-82 to 19a-87a, inclusive, “child care services” includes:

(1) A “child care center” which offers or provides a program of supplementary care to more than twelve related or unrelated children outside their own homes on a regular basis;

(2) A “group child care home” which offers or provides a program of supplementary care (A) to not less than seven or more than twelve related or unrelated children on a regular basis, or (B) that meets the definition of a family child care home except that it operates in a facility other than a private family home;

(3) A “family child care home” which consists of a private family home providing care (A) for (i) not more than six children, including the provider's own children not in school full time, without the presence or assistance of an assistant or substitute staff member approved by the Commissioner of Early Childhood, pursuant to section 19a-87b, present and assisting the provider, or (ii) not more than nine children, including the provider's own children, with the presence and assistance of such approved assistant or substitute staff member, and (B) for not less than three or more than twelve hours during a twenty-four-hour period and where care is given on a regularly recurring basis except that care may be provided in excess of twelve hours but not more than seventy-two consecutive hours to accommodate a need for extended care or intermittent short-term overnight care. During the regular school year, for providers described in subparagraph (A)(i) of this subdivision, a maximum of three additional children who are in school full time, including such provider's own children, shall be permitted, except that if such provider has more than three children who are such provider's own children and in school full time, all of such provider's own children shall be permitted. During the summer months when regular school is not in session, for providers described in subparagraph (A)(i) of this subdivision, a maximum of three additional children who are otherwise enrolled in school full time shall be permitted if there is such an approved assistant or substitute staff member present and assisting such provider, except that (i) if such provider has more than three such additional children who are such provider's own children, all of such provider's own children shall be permitted, and (ii) such approved assistant or substitute staff member shall not be required if all of such additional children are such provider's own children;

(4) “Night care” means the care provided for one or more hours between the hours of 10:00 p.m. and 5:00 a.m.;

(5) “Year-round” program means a program open at least fifty weeks per year.

(b) For licensing requirement purposes, child care services shall not include such services which are:

(1) (A) Administered by a public school system, or (B) administered by a municipal agency or department;

(2) Administered by a private school which is in compliance with section 10-188 and is approved by the State Board of Education or is accredited by an accrediting agency recognized by the State Board of Education, provided the provision of such child care services by the private school is only to those children whose ages are covered under such approval or accreditation;

(3) Classes in music, dance, drama and art that are no longer than two hours in length; classes that teach a single skill that are no longer than two hours in length; library programs that are no longer than two hours in length; scouting; programs that offer exclusively sports activities; rehearsals; academic tutoring programs; or programs exclusively for children thirteen years of age or older;

(4) Informal arrangements among neighbors and formal or informal arrangements among relatives in their own homes, provided the relative is limited to any of the following degrees of kinship by blood, marriage or court order to the child being cared for: Grandparent, great-grandparent, sibling, aunt or uncle;

(5) Supplementary child care operations for educational or recreational purposes and the child receives such care infrequently where the parents are on the premises;

(6) Supplementary child care operations in retail establishments where the parents remain in the same store as the child for retail shopping, provided the drop-in supplementary child-care operation does not charge a fee and does not refer to itself as a child care center;

(7) Administered by a nationally chartered boys' and girls' club that are exclusively for school-age children;

(8) Religious educational activities administered by a religious institution exclusively for children whose parents or legal guardians are members of such religious institution;

(9) Administered by Solar Youth, Inc., a New Haven-based nonprofit youth development and environmental education organization;

(10) Programs administered by organizations under contract with the Department of Social Services pursuant to section 17b-851a that promote the reduction of teenage pregnancy through the provision of services to persons who are ten to nineteen years of age, inclusive;

(11) Administered by the Cardinal Shehan Center, a Bridgeport-based nonprofit organization that is exclusively for school-age children;

(12) Administered by Organized Parents Make a Difference, Inc., a Hartford-based nonprofit organization that is exclusively for school-age children; or

(13) Administered by Leadership, Education and Athletics in Partnership, Inc., a New Haven-based nonprofit youth development organization.

(c) Any entity or organization that provides services or a program described in subsection (b) of this section shall inform the parents and legal guardians of any children receiving such services or enrolled in such programs that such entity or organization is not licensed by the Office of Early Childhood to provide such services or offer such program.

(d) No registrant or licensee of any child care services as defined in subsection (a) of this section shall be issued an additional registration or license to provide any such services at the same facility.

(e) When a licensee has vacated premises approved by the office for the provision of child care services and the landlord of such licensee establishes to the satisfaction of the office that such licensee has no legal right or interest to such approved premises, the office may make a determination with respect to an application for a new license for the provision of child care services at such premises.

Sec. 19a-79. (Formerly Sec. 19-43d). Regulations. Exemptions. Waivers. (a) The Commissioner of Early Childhood shall adopt regulations, in accordance with the provisions of chapter 54, to carry out the purposes of sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive, and to assure that child care centers and group child care homes meet the health, educational and social needs of children utilizing such child care centers and group child care homes. Such regulations shall (1) specify that before being permitted to attend any child care center or group child care home, each child shall be protected as age-appropriate by adequate immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, haemophilus influenzae type B and any other vaccine required by the schedule of active immunization adopted pursuant to section 19a-7f, (2) specify conditions under which child care center directors and teachers and group child care home providers may administer tests to monitor glucose levels in a child with diagnosed diabetes mellitus, and administer medicinal preparations, including controlled drugs specified in the regulations by the commissioner, to a child receiving child care services at such child care center or group child care home pursuant to the written order of a physician licensed to practice medicine or a dentist licensed to practice dental medicine in this or another state, or an advanced practice registered nurse licensed to prescribe in accordance with section 20-94a, or a physician assistant licensed to prescribe in accordance with section 20-12d, and the written authorization of a parent or guardian of such child, (3) specify that an operator of a child care center or group child care home, licensed before January 1, 1986, or an operator who receives a license after January 1, 1986, for a facility licensed prior to January 1, 1986, shall provide a minimum of thirty square feet per child of total indoor usable space, free of furniture except that needed for the children's purposes, exclusive of toilet rooms, bathrooms, coatrooms, kitchens, halls, isolation room or other rooms used for purposes other than the activities of the children, (4) specify that a child care center or group child care home licensed after January 1, 1986, shall provide thirty-five square feet per child of total indoor usable space, (5) establish appropriate child care center staffing requirements for employees certified in cardiopulmonary resuscitation by the American Red Cross, the American

Heart Association, the National Safety Council, American Safety and Health Institute, Medic First Aid International, Inc. or an organization using guidelines for cardiopulmonary resuscitation and emergency cardiovascular care published by the American Heart Association and International Liaison Committee on Resuscitation, (6) specify that a child care center or group child care home (A) shall not deny services to a child on the basis of a child's known or suspected allergy or because a child has a prescription for an automatic prefilled cartridge injector or similar automatic injectable equipment used to treat an allergic reaction, or for injectable equipment used to administer glucagon, (B) shall, not later than three weeks after such child's enrollment in such a center or home, have staff trained in the use of such equipment on-site during all hours when such a child is on-site, (C) shall require such child's parent or guardian to provide the injector or injectable equipment and a copy of the prescription for such medication and injector or injectable equipment upon enrollment of such child, and (D) shall require a parent or guardian enrolling such a child to replace such medication and equipment prior to its expiration date, (7) specify that a child care center or group child care home (A) shall not deny services to a child on the basis of a child's diagnosis of asthma or because a child has a prescription for an inhalant medication to treat asthma, and (B) shall, not later than three weeks after such child's enrollment in such a center or home, have staff trained in the administration of such medication on-site during all hours when such a child is on-site, (8) establish physical plant requirements for licensed child care centers and licensed group child care homes that exclusively serve school-age children, (9) specify that a child care center or group child care home shall immediately notify the parent or guardian of a child enrolled in such center or home if such child exhibits or develops an illness or is injured while in the care of such center or home, (10) specify that a child care center or group child care home shall create a written record of any such illness or injury, which shall, (A) include, but not be limited to, (i) a description of such illness or injury, (ii) the date, time of occurrence and location of such illness or injury, (iii) any responsive action taken by an employee of such center or home, and (iv) whether such child was transported to a hospital emergency room, doctor's office or other medical facility as a result of such illness or injury, (B) be provided to the parent or guardian of such child not later than the next business day, and (C) be maintained by such center or home for a period of not less than two years and be made immediately available upon the request of the Office of Early Childhood, and (11) specify that a child care center or group child care home shall maintain any video recordings created at such center or home for a period of not less than thirty days, and make such recordings immediately available upon the request of the Office of Early Childhood. When establishing such requirements, the Office of Early Childhood shall give consideration to child care centers and group child care homes that are located in private or public school buildings. With respect to subdivision (8) of this subsection, the commissioner shall implement policies and procedures necessary to implement the physical plant requirements established pursuant to this subdivision while in the process of adopting such policies and procedures in regulation form. Until replaced by policies and procedures implemented pursuant to this subdivision, any physical plant requirement specified in the office's regulations that is generally applicable to child care centers and group child care homes shall continue to be applicable to such centers and homes that exclusively serve school-age children. The commissioner shall post notice of the intent to adopt regulations pursuant to this subdivision on the eRegulations System not later than twenty days after the date of implementation of such policies and procedures. Policies and procedures implemented pursuant to this subdivision shall be valid until the time final regulations are adopted. For purposes of this subsection, "illness" means fever, vomiting, diarrhea, rash, headache, persistent coughing, persistent crying or any other condition deemed an illness by the Commissioner of Early Childhood.

(b) Any child who (1) presents a certificate, in a form prescribed by the Commissioner of Public Health pursuant to section 19a-7q, signed by a physician, a physician assistant or an advanced practice registered nurse stating that, in the opinion of such physician, physician assistant or advanced practice registered nurse, the immunizations required pursuant to regulations adopted pursuant to subdivision (1) of subsection (a) of this section are medically contraindicated, (2) in the case of a child who is enrolled in kindergarten through twelfth grade, presented a statement, prior to April 28, 2021, that such immunizations are contrary to the religious beliefs of such child or the parents or guardian of such child, or (3) in the case of a child who is enrolled in a preschool program or other prekindergarten program or below, (A) presented a statement, prior to April 28, 2021, that such immunizations are contrary to the religious beliefs of such child or the parents or guardian of such child, and (B) presents a written declaration, in a form prescribed by the Commissioner of Public Health, from a physician, a physician assistant or an advanced practice registered nurse stating that an immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, haemophilus influenzae type B and any other vaccine required by the schedule of active immunization adopted pursuant to section 19a-7f has been given to such child and that any additional necessary immunizations of such student against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, haemophilus influenzae type B and any other vaccine required by such schedule of active immunization are in process under guidelines specified by the Commissioner of Public Health or as recommended for the child by the physician, physician assistant or advanced practice registered nurse, shall be exempt from the immunization requirements set forth in such regulations. The statement described in subparagraph (A) of subdivision (3) of this subsection shall be acknowledged, in accordance with the provisions of sections 1-32, 1-34 and 1-35, by a judge of a court of record or a family support magistrate, a clerk or deputy clerk of a court having a seal, a town clerk, a notary public, a justice of the peace, or an attorney admitted to the bar of this state.

(c) Any child who is enrolled in a preschool program or other prekindergarten program or below on or before April 28, 2021, who presented, prior to April 28, 2021, the statement described in subparagraph (A) of subdivision (3) of subsection (b) of this section, but did not present the written declaration described in subparagraph (B) of subdivision (3) of subsection (b) of this section, shall comply, on or before September 1, 2022, or not later than fourteen days after applying to enroll in the child care center or group child care home, whichever is later, with the immunization requirements set forth in the regulations adopted pursuant to subdivision (1) of subsection (a) of this section.

(d) The commissioner may adopt regulations, pursuant to chapter 54, to establish civil penalties of not more than one hundred dollars per day for each day of violation and other disciplinary remedies that may be imposed, following a contested-case hearing, upon the holder of a license issued under section 19a-80 to operate a child care center or group child care home or upon the holder of a license issued under section 19a-87b to operate a family child care home.

(e) The commissioner shall exempt Montessori schools accredited by the American Montessori Society or the Association Montessori Internationale from any provision in regulations adopted pursuant to subsection (a) of this section which sets requirements on group size or child to staff ratios or the provision of cots.

(f) Upon the declaration by the Governor of a civil preparedness emergency pursuant to section 28-9 or a public health emergency pursuant to section 19a-131a, the commissioner may waive the provisions of any regulation adopted pursuant to this section if the commissioner determines that such waiver would not endanger the life, safety or health of any child. The commissioner shall prescribe the duration of such waiver, provided such waiver shall not extend beyond the duration of the declared emergency. The commissioner shall establish the criteria by which a waiver request shall be made and the conditions for which a waiver will be granted or denied. The provisions of section 19a-84 shall not apply to a denial of a waiver request under this subsection.

(g) Any child care center or group child care home may provide child care services to homeless children and youths, as defined in 42 USC 11434a, as amended from time to time, for a period not to exceed ninety days without complying with any provision in regulations adopted pursuant to this section relating to immunization and physical examination requirements. Any child care center or group child care home that provides child care services to homeless children and youths at such center or home under this subsection shall maintain a record on file of all homeless children and youths who have attended such center or home for a period of two years after such homeless children or youths are no longer receiving child care services at such center or home.

(h) Any child care center or group child care home may provide child care services to a foster child for a period not to exceed forty-five days without complying with any provision in regulations adopted pursuant to this section relating to immunization and physical examination requirements. Any child care center or group child care home that provides child care services to a foster child at such center or home under this subsection shall maintain a record on file of such foster child for a period of two years after such foster child is no longer receiving child care services at such center or home. For purposes of this subsection, "foster child" means a child who is in the care and custody of the Commissioner of Children and Families and placed in a foster home licensed pursuant to section 17a-114, foster home approved by a child-placing agency licensed pursuant to section 17a-149, facility licensed pursuant to section 17a-145 or with a relative or fictive kin caregiver pursuant to section 17a-114.

Sec. 19a-79a. Pesticide applications at child care facilities. (a) As used in this section, "pesticide" means a fungicide used on plants, an insecticide, a herbicide or a rodenticide but does not mean a sanitizer, disinfectant, antimicrobial agent or a pesticide bait; "lawn care pesticide" means a pesticide registered by the United States Environmental Protection Agency and labeled pursuant to the federal Insecticide, Fungicide and Rodenticide Act for use in lawn, garden and ornamental sites or areas; "certified pesticide applicator" means a pesticide applicator with (1) supervisory certification under section 22a-54, or (2) operational certification under section 22a-54, who operates under the direct supervision of a pesticide applicator with said supervisory certification; "licensee" means a person licensed under sections 19a-77 to 19a-87e, inclusive; and "child care facility" means a child care center, group child care home or family child care home that provides "child care services", as described in section 19a-77.

(b) No person other than a certified pesticide applicator shall apply pesticide within any child care facility, except that a person other than a certified pesticide applicator may make an emergency application to eliminate an immediate threat to human health, including, but not limited to, for the elimination of mosquitoes, ticks and stinging insects, provided (1) the licensee or a designee of the licensee determines such emergency application to be necessary, (2) the licensee or a designee of the licensee deems it impractical to obtain the services of a certified pesticide applicator, and (3) such emergency application does not involve a restricted use pesticide, as defined in section 22a-47.

(c) No person shall apply a lawn care pesticide on the grounds of any child care facility, except that an emergency application of pesticide may be made to eliminate an immediate threat to human health, including, but not limited to, the elimination of mosquitoes, ticks and stinging insects, provided (1) the licensee or a designee of the licensee determines such emergency application to be necessary, and (2) such emergency application does not involve a restricted use pesticide, as defined in section 22a-47. The provisions of this subsection shall not apply to a family child care home, as described in section 19a-77, if the grounds of such family child care home are not owned or under the control of the licensee.

(d) No licensee or designee of a licensee shall permit any child enrolled in such licensee's child care facility to enter an area where a pesticide has been applied in accordance with this section until it is safe to do so according to the provisions on the pesticide label.

(e) On and after October 1, 2009, prior to providing for any application of pesticide on the grounds of any child care facility, the licensee or a designee of the licensee shall, within the existing budgetary resources of such child care facility, notify the parents or guardians of each child enrolled in such licensee's child care facility by any means practicable no later than twenty-four hours prior to such application, except that for an emergency application made in accordance with this section, such notice shall be given as soon as practicable. Notice under this subsection shall include (1) the name of the active ingredient of the pesticide being applied, (2) the target pest, (3) the location of the application on the child care facility property, and (4) the date or proposed date of the application. A copy of the record of each pesticide application at a child care facility shall be maintained at such facility for a period of five years.

Sec. 19a-80. (Formerly Sec. 19-43e). License required for child care centers and group child care homes. Fees. Comprehensive background checks. Notification of changes in regulations. (a) No person, group of persons, association, organization, corporation, institution or agency, public or private, shall maintain a child care center or group child care home without a license issued in accordance with sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87a, inclusive. Applications for such license shall be made to the Commissioner of Early Childhood on forms provided by the commissioner and shall contain the information required by regulations adopted under said sections. The forms shall contain a notice that false statements made therein are punishable in accordance with section 53a-157b.

(b) (1) Upon receipt of an application for a license, the commissioner shall issue such license if, upon inspection and investigation, said commissioner finds that the applicant, the facilities and the program meet the health, educational and social needs of children likely to attend the child care center or group child care home and comply with requirements established by regulations adopted under this section and sections 19a-77 to 19a-79a, inclusive, and sections 19a-82 to 19a-87a, inclusive. The commissioner shall offer an expedited application review process for an application submitted by a municipal agency or department. A currently licensed person or entity, as described in subsection (a) of this section, seeking a change of operator, ownership or location shall file a new license application, except such person or entity may request the commissioner to waive the requirement that a new license application be filed. The commissioner may grant or deny such request. Each license shall be for a term of four years, shall be nontransferable, and may be renewed upon receipt by the commissioner of a renewal application and accompanying licensure fee. The commissioner may suspend or revoke such license after notice and an opportunity for a hearing as provided in section 19a-84 for violation of the regulations adopted under this section and sections 19a-77 to 19a-79a, inclusive, and sections 19a-82 to 19a-87a, inclusive. In the case of an application for renewal of a license that has expired, the commissioner may renew such expired license within thirty days of the date of such expiration upon receipt of a renewal application and accompanying licensure fee.

(2) The commissioner shall collect from the licensee of a child care center a fee of five hundred dollars prior to issuing or renewing a license for a term of four years. The commissioner shall collect from the licensee of a group child care home a fee of two hundred fifty dollars prior to issuing or renewing a license for a term of four years. The commissioner shall require only one license for a child care center operated in two or more buildings, provided the same licensee provides child care services in each building and the buildings are joined together by a contiguous playground that is part of the licensed space.

(3) The commissioner, or the commissioner's designee, shall make an unannounced visit, inspection or investigation of each licensed child care center and group child care home at least once each year. At least once every two years, the local health director, or the local health director's designee, shall make an inspection of each licensed child care center and group child care home.

(c) The commissioner shall require each prospective employee of a child care center or group child care home for a position that requires the provision of care to a child or involves unsupervised access to any child in such child care center or group child care home, to submit to comprehensive background checks, including state and national criminal history records checks. The

criminal history records checks required pursuant to this subsection shall be conducted in accordance with section 29-17a. The commissioner shall also request a check of the state child abuse registry established pursuant to section 17a-101k. The Commissioner of Early Childhood shall notify each licensee of the provisions of this subsection. No such prospective employee shall begin working in such child care center or group child care home until the provisions of 45 CFR 98.43(d)(4), as amended from time to time, have been satisfied.

(d) The commissioner shall inform each licensee, by way of a plain language summary provided not later than sixty days after the regulation's effective date, of new or changed regulations adopted under sections 19a-77 to 19a-80, inclusive, or sections 19a-82 to 19a-87a, inclusive, with which a licensee must comply.

Sec. 19a-80e. Parental participation in state-funded child care centers and group child care homes. Each child care center and group child care home, as defined in section 19a-77, that is funded by the state pursuant to section 8-210, 17b-737 or 17b-752 shall: (1) Provide for parents' participation in setting goals for and evaluating the progress of their children; (2) assist parents with their responsibility of educating their children; (3) assist parents in working with child care programs, communicating with teachers and other child care program personnel, and participating in decisions relating to the education of their children; (4) assist staff with their responsibility of working with the child's parents to promote parent-education partnerships; and (5) take other actions, when appropriate, to support the active involvement of parents with child care programs, school personnel and with the transition to school-related organizations.

Sec. 19a-80f. Investigation of child abuse or neglect involving licensed facilities. Information sharing between agencies. Compilation of listing of substantiated allegations. (a) As used in this section, "facility" means a child care center, a group child care home and a family child care home, as defined in section 19a-77, and a youth camp, as defined in section 19a-420.

(b) Notwithstanding any provision of the general statutes, the Commissioner of Children and Families, or the commissioner's designee, shall provide to the Office of Early Childhood all records concerning reports and investigations of child abuse or neglect that have been reported to, or are being investigated by, the Department of Children and Families pursuant to section 17a-101g, including records of any administrative hearing held pursuant to section 17a-101k: (1) Occurring at any facility, and (2) by any staff member or licensee of any facility and by any household member of any family child care home, as defined in section 19a-77, irrespective of where the abuse or neglect occurred.

(c) The Department of Children and Families and the Office of Early Childhood shall jointly investigate reports of abuse or neglect occurring at any facility. All information, records and reports concerning such investigation shall be shared between agencies as part of the investigative process.

(d) The Commissioner of Early Childhood shall compile a listing of allegations of violations that have been substantiated by the Office of Early Childhood concerning a facility during the prior three-year period. The commissioner shall disclose information contained in the listing to any person who requests it, provided the information may be disclosed pursuant to sections 17a-101g and 17a-101k and does not identify children or family members of those children.

(e) Notwithstanding any provision of the general statutes, when the Commissioner of Children and Families has made a finding substantiating abuse or neglect: (1) That occurred at a facility, or (2) by any staff member or licensee of any facility, or by any household member of any family child care home and such finding is included on the state child abuse or neglect registry, maintained by the Department of Children and Families pursuant to section 17a-101k, such finding may be included in the listing compiled by the Office of Early Childhood pursuant to subsection (d) of this section and may be disclosed to the public by the Office of Early Childhood.

(f) Notwithstanding any provision of the general statutes, when the Commissioner of Children and Families, pursuant to section 17a-101j, has notified the Office of Early Childhood of a recommended finding of child abuse or neglect at a facility and if such child abuse or neglect resulted in or involves (1) the death of a child; (2) the risk of serious physical injury or emotional harm of a child; (3) the serious physical harm of a child; (4) the arrest of a person due to abuse or neglect of a child; (5) a petition filed by the Commissioner of Children and Families pursuant to section 17a-112 or 46b-129; or (6) sexual abuse of a child, the Commissioner of Early Childhood may include such finding of child abuse or neglect in the listing under subsection (d) of this section and may disclose such finding to the public. The Commissioner of Children and Families, or the commissioner's designee, shall immediately notify the Commissioner of Early Childhood when such child abuse or neglect is not substantiated after an investigation has been completed pursuant to subsection (b) of section 17a-101g or a recommended finding of child abuse or neglect is reversed after a hearing or appeal conducted in accordance with the provisions of section

17a-101k. The Commissioner of Early Childhood shall immediately remove such information from the listing and shall not further disclose any such information to the public.

(g) Notwithstanding any provision of the general statutes, all records provided by the Commissioner of Children and Families, or the commissioner's designee, to the Office of Early Childhood regarding child abuse or neglect occurring at any facility, may be utilized in an administrative proceeding or court proceeding relative to facility licensing. In any such proceeding, such records shall be confidential, except as provided under section 4-177c, and such records shall not be subject to disclosure pursuant to section 1-210.

Sec. 19a-80g. Child care center waiting list fees and deposits. Any child care center, as described in section 19a-77, that collects a registration fee or deposit from any person for the placement of a child on a waiting list for such child care center shall, upon written request by the person who has paid such registration fee or deposit, return the full amount of such fee or deposit at any time after such child remains on such waiting list and is not admitted to such child care center after a period of six months from the date of such placement on such waiting list.

Sec. 19a-80h. Enrollment of certain children in preschool programs. Any child care center or group child care home that is licensed with a preschool endorsement, in accordance with regulations adopted pursuant to section 19a-79, may deem a child who is thirty-two to thirty-six months of age, inclusive, to be three years of age for purposes of enrolling such child in a preschool program provided by such center or home, provided such center or home receives written authorization from such child's parent or guardian and the program director to so enroll such child in the preschool program.

Sec. 19a-82. (Formerly Sec. 19-43g). Consultative services of state and municipal departments. Inspections. Assistance to licensees. The Commissioner of Early Childhood shall utilize consultative services and assistance from the Departments of Education, Mental Health and Addiction Services and Social Services and from municipal building, fire and health departments. The commissioner shall make periodic inspections of licensed child care centers, group child care homes and family child care homes and shall provide technical assistance to licensees and applicants for licenses to assist them to attain and maintain the standards established in regulations adopted under this section and sections 19a-77 to 19a-80, inclusive, 19a-84 to 19a-87, inclusive, and section 19a-87b.

Sec. 19a-84. (Formerly Sec. 19-43i). Suspension or revocation of license. Denial of initial license application. Summary suspension or summary probation of license. (a) When the Commissioner of Early Childhood has reason to believe any person licensed under sections 19a-77 to 19a-80, inclusive, and sections 19a-82 to 19a-87, inclusive, has failed substantially to comply with the regulations adopted under said sections, the commissioner may notify the licensee in writing of the commissioner's intention to suspend or revoke the license or to impose a licensure action. Such notice shall be served by certified mail stating the particular reasons for the proposed action. The licensee may, if aggrieved by such intended action, make application for a hearing in writing over the licensee's signature to the commissioner. The licensee shall state in the application in plain language the reasons why the licensee claims to be aggrieved. The application shall be delivered to the commissioner not later than thirty days after the licensee's receipt of notification of the intended action. The commissioner shall thereupon hold a hearing or cause a hearing to be held not later than sixty days after receipt of such application and shall, at least ten days prior to the date of such hearing, mail a notice, giving the time and place of the hearing, to the licensee. The hearing may be conducted by the commissioner or by a hearing officer appointed by the commissioner in writing. The licensee and the commissioner or hearing officer may issue subpoenas requiring the attendance of witnesses. The licensee shall be entitled to be represented by counsel and a transcript of the hearing shall be made. If the hearing is conducted by a hearing officer, the hearing officer shall state the hearing officer's findings and make a recommendation to the commissioner on the issue of revocation or suspension or the intended licensure action. The commissioner, based upon the findings and recommendation of the hearing officer, or after a hearing conducted by the commissioner, shall render the commissioner's decision in writing suspending, revoking or continuing the license or regarding the intended licensure action. A copy of the decision shall be sent by certified mail to the licensee. The decision revoking or suspending the license or a decision imposing a licensure action shall become effective thirty days after it is mailed by registered or certified mail to the licensee. A licensee aggrieved by the decision of the commissioner may appeal as provided in section 19a-85. Any licensee whose license has been revoked pursuant to this subsection shall be ineligible to apply for a license for a period of one year from the effective date of revocation.

(b) The provisions of this section shall not apply to the denial of an initial application for a license under sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive, provided the commissioner shall notify the applicant of any such denial and the reasons for such denial by mailing written notice to the applicant at the applicant's address shown on the license application.

(c) If the commissioner finds that public health, safety or welfare imperatively requires emergency action, and incorporates a finding to that effect in his or her order, the commissioner may order summary suspension or summary probation of a license issued under sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive, pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

Sec. 19a-85. (Formerly Sec. 19-43j). Appeal. Any person aggrieved by a decision of the Commissioner of Early Childhood rendered under section 19a-82 or 19a-84 may appeal the decision of the commissioner in accordance with section 4-183, except venue for such appeal shall be in the judicial district of New Britain. Such appeal shall have precedence in the order of trial as provided in section 52-192.

Sec. 19a-86. (Formerly Sec. 19-43k). Injunction against illegal operation. The Commissioner of Early Childhood may request the Attorney General to bring an action in the superior court for the judicial district of Hartford to enjoin any person, group of persons, association, organization, corporation, institution, or agency, public or private, from maintaining a child care center or group child care home without a license or operating a child care center or group child care home in violation of regulations adopted under sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive.

Sec. 19a-86a. Accepting voluntary surrender of license as resolution of disciplinary action. The Commissioner of Early Childhood may resolve any disciplinary action against a licensee pursuant to sections 19a-84 and 19a-87e by accepting the voluntary surrender of the license of such licensee.

Sec. 19a-86b. Validity of license during investigation or disciplinary action. Any person or entity who is the subject of an investigation or disciplinary action pursuant to section 19a-80f, 19a-84, 19a-87a, 19a-87e, 19a-423 or 19a-429 while holding a license issued by the Office of Early Childhood or having held such a license within eighteen months of the commencement of such investigation or disciplinary action, shall be considered to hold a valid license for purposes of such investigation or disciplinary action.

Sec. 19a-86c. Failure to provide written notice of proposed closure. Penalty. (a) Any licensee child care center or group child care home, as described in section 19a-77, that fails to provide written notice to (1) the Office of Early Childhood, (2) all staff employed at such child care center or group child care home, and (3) the parents or guardians of children receiving child care services, as described in section 19a-77, at such child care center or group child care home, at least thirty days prior to the effective date of a proposed closure of such child care center or group child care home, shall be subject to a civil penalty of not more than five thousand dollars.

(b) If the Commissioner of Early Childhood has reason to believe that a violation has occurred for which a civil penalty is authorized by subsection (a) of this section, he or she may send to such licensee by certified mail, return receipt requested, or personally serve upon such licensee, a notice which shall include: (1) A reference to the section or sections of the general statutes or regulations involved; (2) a short and plain statement of the matters asserted or charged; (3) a statement of the maximum civil penalty which may be imposed for such violation; and (4) a statement of the licensee's right to request a hearing, such request to be submitted in writing to the commissioner not later than thirty days after the notice is mailed or served.

(c) If such licensee so requests, the commissioner shall cause a hearing to be held. The hearing shall be held in accordance with the provisions of chapter 54. If such licensee fails to request a hearing or fails to appear at the hearing or if, after the hearing, the commissioner finds that the licensee has committed such violation, the commissioner may, in his or her discretion, order that a civil penalty be imposed that is not greater than the penalty stated in the notice. The commissioner shall send a copy of any order issued pursuant to this subsection by certified mail, return receipt requested, to the licensee named in such order.

Sec. 19a-87. (Formerly Sec. 19-43l). Penalty for operation without a license. Notice and hearing. (a) Any person or officer of an association, organization or corporation who establishes, conducts, maintains or operates a child care center or group child care home without a current and valid license shall be subject to a civil penalty of not more than one hundred dollars a day for each day that such center or home is operated without a license.

(b) If the Commissioner of Early Childhood has reason to believe that a violation has occurred for which a civil penalty is authorized by subsection (a) of this section, he or she may send to such person or officer by certified mail, return receipt requested, or personally serve upon such person or officer, a notice which shall include: (1) A reference to the section or sections of the general statutes or regulations involved; (2) a short and plain statement of the matters asserted or charged; (3) a statement of the maximum civil penalty which may be imposed for such violation; and (4) a statement of the party's right to

request a hearing, such request to be submitted in writing to the commissioner not later than thirty days after the notice is mailed or served.

(c) If such person or officer so requests, the commissioner shall cause a hearing to be held. The hearing shall be held in accordance with the provisions of chapter 54. If such person or officer fails to request a hearing or fails to appear at the hearing or if, after the hearing, the commissioner finds that the person or officer has committed such violation, the commissioner may, in his or her discretion, order that a civil penalty be imposed that is not greater than the penalty stated in the notice. The commissioner shall send a copy of any order issued pursuant to this subsection by certified mail, return receipt requested, to the person or officer named in such order.

Sec. 19a-87a. Discretion in the issuance of licenses. Suspension. Revocation. Notification of criminal conviction. False statements: Class A misdemeanor. Reporting of violations. Enforcement powers of the Office of Early Childhood. (a) The Commissioner of Early Childhood shall have the discretion to refuse to license under sections 19a-77 to 19a-80, inclusive, and 19a-82 to 19a-87, inclusive, a person to conduct, operate or maintain a child care center or a group child care home, as described in section 19a-77, or to suspend or revoke the license or take any other action set forth in regulation that may be adopted pursuant to section 19a-79 if, the person who owns, conducts, maintains or operates such center or home or a person employed therein in a position connected with the provision of care to a child receiving child care services, has been convicted in this state or any other state of a felony as defined in section 53a-25 involving the use, attempted use or threatened use of physical force against another person, of cruelty to persons under section 53-20, injury or risk of injury to or impairing morals of children under section 53-21, abandonment of children under the age of six years under section 53-23, or any felony where the victim of the felony is a child under eighteen years of age, or of a violation of section 53a-70b of the general statutes, revision of 1958, revised to January 1, 2019, or section 53a-70, 53a-70a, 53a-71, 53a-72a, 53a-72b or 53a-73a, or has a criminal record in this state or any other state that the commissioner reasonably believes renders the person unsuitable to own, conduct, operate or maintain or be employed by a child care center or group child care home. However, no refusal of a license shall be rendered except in accordance with the provisions of sections 46a-79 to 46a-81, inclusive.

(b) Any person who is licensed to conduct, operate or maintain a child care center or group child care home shall notify the commissioner of any criminal conviction of the owner, conductor, operator or maintainer of the center or home or of any person employed therein in a position connected with the provision of care to a child receiving child care services, immediately upon obtaining knowledge of the conviction. Failure to comply with the notification requirement may result in the suspension or revocation of the license or the imposition of any action set forth in regulation, and shall subject the licensed person to a civil penalty of not more than one hundred dollars per day for each day after the person obtained knowledge of the conviction.

(c) It shall be a class A misdemeanor for any person seeking employment in a position connected with the provision of care to a child receiving child care services to make a false written statement regarding prior criminal convictions pursuant to a form bearing notice to the effect that such false statements are punishable, which statement he does not believe to be true and is intended to mislead the prospective employer.

(d) Any person having reasonable cause to believe that a child care center or a group child care home is operating without a current and valid license or in violation of regulations adopted under section 19a-79 or in a manner which may pose a potential danger to the health, welfare and safety of a child receiving child care services, may report such information to the Office of Early Childhood. The office shall investigate any report or complaint received pursuant to this subsection. The name of the person making the report or complaint shall not be disclosed unless (1) such person consents to such disclosure, (2) a judicial or administrative proceeding results therefrom, or (3) a license action pursuant to subsection (a) of this section results therefrom. All records obtained by the office in connection with any such investigation shall not be subject to the provisions of section 1-210 for a period of thirty days from the date of the petition or other event initiating such investigation, or until such time as the investigation is terminated pursuant to a withdrawal or other informal disposition or until a hearing is convened pursuant to chapter 54, whichever is earlier. A formal statement of charges issued by the office shall be subject to the provisions of section 1-210 from the time that it is served or mailed to the respondent. Records which are otherwise public records shall not be deemed confidential merely because they have been obtained in connection with an investigation under this section.

(e) In addition to any powers the office may have, in any investigation (1) concerning an application, reinstatement or renewal of a license for a child care center, a group child care home or a family child care home, as such terms are defined in section 19a-77, (2) of a complaint concerning child care services, as described in section 19a-77, or (3) concerning the possible provision of unlicensed child care services, the office may administer oaths, issue subpoenas, compel testimony and order the production of books, records and documents. If any person refuses to appear, testify or produce any book, record or document when so ordered, a judge of the Superior Court may make such order as may be appropriate to aid in the enforcement of this section.

Sec. 19a-87f. Youth camp, child care center, group child care home or family child care home: Physical examination or health status certification. On and after July 1, 2014, any (1) youth camp, licensed in accordance with section 19a-422, (2) child care center or group child care home, licensed in accordance with section 19a-80, or (3) family child care home, licensed in accordance with section 19a-87b, may permit a child's physical examination that is required for school purposes, and the child's health assessment form described in section 10-206 or the state Department of Education's early childhood health assessment record form, to be used to satisfy any physical examination or health status certification required by such youth camp, child care center, group child care home or family child care home, provided any requirement established by the Commissioner of Early Childhood concerning the time for completion of such physical examination is satisfied.

Sec. 19a-87g. Notification of emergency situations to licensees of day care centers. (a) For purposes of this section, "licensee" means any person licensed pursuant to section 19a-80 or 19a-87b, and "day care center" means a child care center, a group child care home or a family child care home, as those terms are defined in section 19a-77.

(b) Each licensee shall provide written contact information for the licensee's day care center, including the name, address and telephone number of the day care center, to the Office of Early Childhood. Each licensee shall verify and update, as appropriate, such contact information.

(c) The Office of Early Childhood shall share, in accordance with a memorandum of understanding or other agreement, any information collected pursuant to subsection (b) of this section with the Department of Emergency Services and Public Protection for use in an emergency notification system, as defined in section 28-25, that notifies licensees of an emergency situation in the vicinity of a day care center that may endanger the safety or welfare of the children at such day care center. Such emergency situation may include, but need not be limited to, a fire, a criminal act, an emergency or an act of nature such as an earthquake, a tornado, a hurricane or a storm.

Sec. 19a-342. (Formerly Sec. 1-21b). Smoking prohibited. Exceptions. Signs required. Penalties. (a) As used in this section:

(1) "Smoke" or "smoking" means the burning of a lighted cigarette, cigar, pipe or any other similar device, whether containing, wholly or in part, tobacco, cannabis, or hemp;

(2) "Any area" means the interior of the facility, building or establishment and the outside area within twenty-five feet of any doorway, operable window or air intake vent of the facility, building or establishment;

(3) "Cannabis" means marijuana, as defined in section 21a-240; and

(4) "Hemp" has the same meaning as provided in section 22-61l.

(b) (1) Notwithstanding the provisions of section 31-40q, no person shall smoke: (A) In any area of a building or portion of a building, owned and operated or leased and operated by the state or any political subdivision of the state; (B) in any area of a health care institution, including, but not limited to, a psychiatric facility; (C) in any area of a retail establishment accessed by the general public; (D) in any restaurant; (E) in any area of an establishment with a permit issued for the sale of alcoholic liquor pursuant to section 30-20a, 30-21, 30-21b, 30-22, 30-22c, 30-28, 30-28a, 30-33a, 30-33b, 30-35a, 30-37a, 30-37e or 30-37f, in any area of an establishment with a permit for the sale of alcoholic liquor pursuant to section 30-22aa issued after May 1, 2003, and, on and after April 1, 2004, in any area of an establishment with a permit issued for the sale of alcoholic liquor pursuant to section 30-22a or 30-26; (F) in any area of a school building or on the grounds of such school; (G) within a child care facility or on the grounds of such child care facility, except, if the child care facility is a family child care home, as defined in section 19a-77, such smoking is prohibited only when a child enrolled in such home is present during customary business hours; (H) in any passenger elevator; (I) in any area of a dormitory in any public or private institution of higher education; (J) in any area of a dog race track or a facility equipped with screens for the simulcasting of off-track betting race programs or jai alai games; (K) in any room offered as an accommodation to guests by the operator of a hotel, motel or similar lodging; (L) in any area of a correctional facility or halfway house; or (M) in any area of a platform or a shelter at a rail, busway or bus station, owned and operated or leased and operated by the state or any political subdivision of the state. For purposes of this subsection, "restaurant" means space, in a suitable and permanent building, kept, used, maintained, advertised and held out to the public to be a place where meals are regularly served to the public, "school" has the same meaning as provided in section 10-154a and "child care facility" has the same meaning as provided in section 19a-342a.

(2) Subdivision (1) of this subsection shall not apply to the following: (A) Public housing projects, as defined in subsection (b) of section 21a-278a; (B) any classroom where demonstration smoking is taking place as part of a medical or scientific experiment or lesson; (C) notwithstanding the provisions of subparagraph (E) of subdivision (1) of this subsection, the outdoor portion of the premises of any permittee listed in subparagraph (E) of subdivision (1) of this subsection, provided, in the case of any seating area maintained for the service of food, at least seventy-five per cent of the outdoor seating capacity is an area in which smoking is prohibited and which is clearly designated with written signage as a nonsmoking area, except that any temporary seating area established for special events and not used on a regular basis shall not be subject to the smoking prohibition or signage requirements of this subparagraph; (D) any medical research site where smoking is integral to the research being conducted; or (E) any tobacco bar, provided no tobacco bar shall expand in size or change its location from its size or location as of December 31, 2002. For purposes of this subdivision, "outdoor" means an area which has no roof or other ceiling enclosure, "tobacco bar" means an establishment with a permit for the sale of alcoholic liquor to consumers issued pursuant to chapter 545 that, in the calendar year ending December 31, 2002, generated ten per cent or more of its total annual gross income from the on-site sale of tobacco products and the rental of on-site humidors, "tobacco product" means any substance that contains tobacco, including, but not limited to, cigarettes, cigars, pipe tobacco or chewing tobacco, except "tobacco product" does not include cannabis.

(c) In each room, elevator, area or building in which smoking is prohibited by this section, the person in control of the premises shall post or cause to be posted in a conspicuous place signs stating that smoking is prohibited by state law. Such signs, except in elevators, restaurants, establishments with permits to sell alcoholic liquor to consumers issued pursuant to chapter 545, hotels, motels or similar lodgings, and health care institutions, shall have letters at least four inches high with the principal strokes of letters not less than one-half inch wide.

(d) Any person found guilty of smoking in violation of this section, failure to post signs as required by this section or the unauthorized removal of such signs shall have committed an infraction. Nothing in this section shall be construed to require the person in control of a building to post such signs in every room of the building, provided such signs are posted in a conspicuous place in the building.

(e) Nothing in this section shall be construed to require any smoking area inside or outside any building or the entryway to any building or on any property.

(f) The provisions of this section shall supersede and preempt the provisions of any municipal law or ordinance relative to smoking effective prior to, on or after October 1, 1993.

Sec. 10-514. Creation of document re developmental milestones. Posting of document. (a) Not later than January 1, 2020, the Office of Early Childhood shall create a one-page document that (1) lists important developmental milestones experienced by children ages birth to five years, and (2) contains notice that any parent or guardian who is concerned that such parent or guardian's child has not met one or more such developmental milestones may access the Office of Early Childhood Child Development Infoline for information concerning appropriate services. The office shall make such document available on its Internet web site.

(b) On and after February 1, 2020, each operator of a child care center, group child care home or family child care home, as described in section 19a-77, shall post a copy of the document developed pursuant to subsection (a) of this section in a conspicuous place on the premises of such child care center, group child care home or family child care home.

Sec. 10-520c. Approval to work as head teacher or educational consultant. Suspension or revocation of approval. (a) Upon receipt of an application for approval to work as a head teacher or an educational consultant in a licensed child care center or group child care home, the Commissioner of Early Childhood shall issue such approval to any person who satisfies the requirements established by regulations adopted pursuant to section 19a-79.

(b) Whenever the Commissioner of Early Childhood has reason to believe that any person who has been issued an approval to work as a head teacher or an educational consultant in a licensed child care center or group child care home, pursuant to subsection (a) of this section, (1) has failed substantially to comply with the regulations adopted pursuant to section 19a-79, (2) has knowingly made or causes to be made any false or misleading statements to the Office of Early Childhood, or (3) has engaged in any other behavior that renders the person unsuitable to so work as a head teacher or an educational consultant, the commissioner may notify such person in writing of the commissioner's intention to suspend or revoke such approval. Such notice shall be served by certified mail stating the particular reasons for the intended suspension or revocation. Such person may, if aggrieved by such intended suspension or revocation, make application for a hearing in writing over such person's signature to

the commissioner. Such person shall state in the application in plain language the reasons why such person claims to be aggrieved. The application shall be delivered to the commissioner not later than thirty days after such person's receipt of notification of the intended suspension or revocation. The commissioner shall thereupon hold a hearing or cause a hearing to be held not later than sixty days after receipt of such application and shall, at least ten days prior to the date of such hearing, mail a notice, giving the time and place of the hearing, to such person. The hearing may be conducted by the commissioner or by a hearing officer appointed by the commissioner in writing. Such person and the commissioner or hearing officer may issue subpoenas requiring the attendance of witnesses. Such person shall be entitled to be represented by counsel and a transcript of the hearing shall be made. If the hearing is conducted by a hearing officer, the hearing officer shall state the hearing officer's findings and make a recommendation to the commissioner on the issue of suspension or revocation. The commissioner, based upon the findings and recommendation of the hearing officer, or after a hearing conducted by the commissioner, shall render the commissioner's decision in writing suspending, revoking or continuing such approval. A copy of the decision shall be sent by certified mail to such person. The decision suspending or revoking such approval shall become effective thirty days after it is mailed by registered or certified mail to such person. Any person aggrieved by the decision of the commissioner may appeal as provided in section 19a-85. Any person whose approval has been revoked pursuant to this subsection shall be ineligible to apply for an approval for a period of one year from the effective date of revocation.

(c) The provisions of this section shall not apply to the denial of an initial application for an approval to work as a head teacher or an educational consultant in a licensed child care center or group child care home, pursuant to subsection (a) of this section, provided the commissioner shall notify the applicant of any such denial and the reasons for such denial by mailing written notice to the applicant at the applicant's address shown on the application for such approval.

Sec. 10-530. Comprehensive background checks. (a) As used in this section:

(1) "Child care facility" means a "child care center", "group child care home" or "family child care home" that provides "child care services", each as described in section 19a-77, or any provider of child care services under the child care subsidy program established pursuant to section 17b-749;

(2) "Child care services provider or staff member" means any person who is (A) a licensee, employee, volunteer or alternate staff, assistant, substitute or household member of a child care facility, (B) a family child care provider, or (C) any other person who provides child care services under the child care subsidy program established pursuant to section 17b-749 but does not include a person who is providing child care services under the child care subsidy program (i) exclusively to children with whom such person is related, and (ii) without being issued a license to provide child care services by the Office of Early Childhood; and

(3) "Family child care provider" means any person who provides child care services under the child care subsidy program established pursuant to section 17b-749 (A) in a family child care home, as defined in section 19a-77, or (B) in a home not requiring a license pursuant to subdivision (4) of subsection (b) of section 19a-77.

(b) The comprehensive background checks required pursuant to subsection (c) of section 19a-80, subsection (c) of section 19a-87b, and subsection (a) of section 17b-749k, shall be conducted at least once every five years for each child care services provider or staff member in accordance with the provisions of 45 CFR 98.43, as amended from time to time.

(c) Any person who applies for a position at a child care facility in the state shall not be required to submit to such comprehensive background checks if such person (1) is an employee of a child care facility in the state, or has not been separated from employment as a child care services provider or staff member in the state for a period of more than one hundred eighty days, and (2) has successfully completed such comprehensive background checks in the previous five years. Nothing in this section prohibits the Commissioner of Early Childhood from requiring that a person applying for a position as a child care services provider or staff member submit to comprehensive background checks more than once during a five-year period.

(d) Any person required to submit to comprehensive background checks pursuant to subsection (c) of section 19a-80, subsection (c) of section 19a-87b and subsection (a) of section 17b-749k, may submit a request, in writing, to the Commissioner of Early Childhood for a waiver of the requirement to submit fingerprints. Such request shall include such person's name and date of birth, and evidence that such person is unable to satisfy such fingerprints requirement due to a medical condition, including, but not limited to, a birth defect, physical deformity, skin condition or psychiatric condition. Upon the granting of a waiver to a person under this subsection, the Office of Early Childhood shall conduct a state criminal history records check of such person by using the name and date of birth that was provided in the request for a waiver by such person.

Sec. 46b-120. (Formerly Sec. 51-301). Definitions. The terms used in this chapter shall, in its interpretation and in the interpretation of other statutes, be defined as follows:

(1) “Child” means any person under eighteen years of age who has not been legally emancipated, except that (A) for purposes of delinquency matters and proceedings, “child” means any person who (i) is at least ten years of age at the time of the alleged commission of a delinquent act and who is (I) under eighteen years of age and has not been legally emancipated, or (II) eighteen years of age or older and committed a delinquent act prior to attaining eighteen years of age, or (ii) is subsequent to attaining eighteen years of age, (I) violates any order of the Superior Court or any condition of probation ordered by the Superior Court with respect to a delinquency proceeding, or (II) wilfully fails to appear in response to a summons under section 46b-133 or at any other court hearing in a delinquency proceeding of which the child had notice, and (B) for purposes of family with service needs matters and proceedings, child means a person who is at least seven years of age and is under eighteen years of age;

(2) (A) A child may be adjudicated as “delinquent” who has, while under sixteen years of age, (i) violated any federal or state law, except a first or second offense under subdivision (1) of subsection (b) of section 21a-279a, or except section 53a-172, 53a-173, 53a-222, 53a-222a, 53a-223 or 53a-223a, or violated a municipal or local ordinance, except an ordinance regulating behavior of a child in a family with service needs, (ii) wilfully failed to appear in response to a summons under section 46b-133 or at any other court hearing in a delinquency proceeding of which the child had notice, (iii) violated any order of the Superior Court in a delinquency proceeding, except as provided in section 46b-148, or (iv) violated conditions of probation supervision or probation supervision with residential placement in a delinquency proceeding as ordered by the court;

(B) A child may be adjudicated as “delinquent” who has (i) while sixteen or seventeen years of age, violated any federal or state law, other than (I) an infraction, (II) a violation, (III) a motor vehicle offense or violation under title 14, (IV) a violation of a municipal or local ordinance, (V) a violation of section 51-164r, 53a-172, 53a-173, 53a-222, 53a-222a, 53a-223 or 53a-223a, or (VI) a first or second offense under subdivision (1) of subsection (b) of section 21a-279a, (ii) while sixteen years of age or older, wilfully failed to appear in response to a summons under section 46b-133 or at any other court hearing in a delinquency proceeding of which the child had notice, (iii) while sixteen years of age or older, violated any order of the Superior Court in a delinquency proceeding, except as provided in section 46b-148, or (iv) while sixteen years of age or older, violated conditions of probation supervision or probation supervision with residential placement in a delinquency proceeding as ordered by the court;

(3) “Family with service needs” means a family that includes a child who is at least seven years of age and is under eighteen years of age who, according to a petition lawfully filed on or before June 30, 2020, (A) has without just cause run away from the parental home or other properly authorized and lawful place of abode, (B) is beyond the control of the child's parent, parents, guardian or other custodian, (C) has engaged in indecent or immoral conduct, or (D) is thirteen years of age or older and has engaged in sexual intercourse with another person and such other person is thirteen years of age or older and not more than two years older or younger than such child;

(4) A child may be found “neglected” who, for reasons other than being impoverished, (A) has been abandoned, (B) is being denied proper care and attention, physically, educationally, emotionally or morally, or (C) is being permitted to live under conditions, circumstances or associations injurious to the well-being of the child;

(5) A child may be found “abused” who (A) has been inflicted with physical injury or injuries other than by accidental means, (B) has injuries that are at variance with the history given of them, or (C) is in a condition that is the result of maltreatment, including, but not limited to, malnutrition, sexual molestation or exploitation, deprivation of necessities, emotional maltreatment or cruel punishment;

(6) A child may be found “uncared for” (A) who is homeless, (B) whose home cannot provide the specialized care that the physical, emotional or mental condition of the child requires, or (C) who has been identified as a victim of trafficking, as defined in section 46a-170. For the purposes of this section, the treatment of any child by an accredited Christian Science practitioner, in lieu of treatment by a licensed practitioner of the healing arts, shall not of itself constitute neglect or maltreatment;

(9) “Serious juvenile offender” means any child adjudicated as delinquent for the commission of a serious juvenile offense;

(10) “Serious juvenile repeat offender” means any child charged with the commission of any felony if such child has previously been adjudicated as delinquent or otherwise adjudicated at any age for two violations of any provision of title 21a, 29, 53 or 53a that is designated as a felony;

(11) “Alcohol-dependent” means a psychoactive substance dependence on alcohol as that condition is defined in the most recent edition of the American Psychiatric Association's “Diagnostic and Statistical Manual of Mental Disorders”;

(12) “Drug-dependent” means a psychoactive substance dependence on drugs as that condition is defined in the most recent edition of the American Psychiatric Association's “Diagnostic and Statistical Manual of Mental Disorders”. No child shall be classified as drug-dependent who is dependent (A) upon a morphine-type substance as an incident to current medical treatment of a demonstrable physical disorder other than drug dependence, or (B) upon amphetamine-type, ataractic, barbiturate-type, hallucinogenic or other stimulant and depressant substances as an incident to current medical treatment of a demonstrable physical or psychological disorder, or both, other than drug dependence;

(13) “Pre-dispositional study” means a comprehensive written report prepared by a juvenile probation officer pursuant to section 46b-134 regarding the child's social, medical, mental health, educational, risks and needs, and family history, as well as the events surrounding the offense to present a supported recommendation to the court;

(14) “Probation supervision” means a legal status whereby a juvenile who has been adjudicated delinquent is placed by the court under the supervision of juvenile probation for a specified period of time and upon such terms as the court determines;

(15) “Probation supervision with residential placement” means a legal status whereby a juvenile who has been adjudicated delinquent is placed by the court under the supervision of juvenile probation for a specified period of time, upon such terms as the court determines, that include a period of placement in a secure or staff-secure residential treatment facility, as ordered by the court, and a period of supervision in the community;

(16) “Risk and needs assessment” means a standardized tool that (A) assists juvenile probation officers in collecting and synthesizing information about a child to estimate the child's risk of recidivating and identify other factors that, if treated and changed, can reduce the child's likelihood of reoffending, and (B) provides a guide for intervention planning;

(17) “Secure-residential facility” means a hardware-secured residential facility that includes direct staff supervision, surveillance enhancements and physical barriers that allow for close supervision and controlled movement in a treatment setting;

(18) “Staff-secure residential facility” means a residential facility that provides residential treatment for children in a structured setting where the children are monitored by staff; and

(19) “Juvenile residential center” means a hardware-secured residential facility operated by the Court Support Services Division of the Judicial Branch that includes direct staff supervision, surveillance enhancements and physical barriers that allow for close supervision and controlled movement in a treatment setting for preadjudicated juveniles and juveniles adjudicated as delinquent.

Sec. 17a-101. (Formerly Sec. 17-38a). Protection of children from abuse. Mandated reporters. Educational and training programs. Model mandated reporting policy.

(a) The public policy of this state is: To protect children whose health and welfare may be adversely affected through injury and neglect; to strengthen the family and to make the home safe for children by enhancing the parental capacity for good child care; to provide a temporary or permanent nurturing and safe environment for children when necessary; and for these purposes to require the reporting of suspected child abuse or neglect, investigation of such reports by a social agency, and provision of services, where needed, to such child and family.

(b) The following persons shall be mandated reporters: (1) Any physician or surgeon licensed under the provisions of chapter 370, (2) any resident physician or intern in any hospital in this state, whether or not so licensed, (3) any registered nurse, (4) any licensed practical nurse, (5) any medical examiner, (6) any dentist, (7) any dental hygienist, (8) any psychologist, (9) any school employee, as defined in section 53a-65, (10) any social worker, (11) any person who holds or is issued a coaching permit by the State Board of Education, is a coach of intramural or interscholastic athletics and is eighteen years of age or older, (12) any individual who is employed as a coach or director of youth athletics and is eighteen years of age or older, (13) any individual who is employed as a coach or director of a private youth sports organization, league or team and is eighteen years of age or older, (14) any paid administrator, faculty, staff, athletic director, athletic coach or athletic trainer employed by a public or private institution of higher education who is eighteen years of age or older, excluding student employees, (15) any police officer, (16) any juvenile or adult probation officer, (17) any juvenile or adult parole officer, (18) any member of the clergy, (19) any pharmacist, (20) any physical therapist, (21) any optometrist, (22) any chiropractor, (23) any podiatrist, (24) any mental health professional, (25) any physician assistant, (26) any person who is a licensed or certified emergency medical services provider, (27) any person who is a licensed or certified alcohol and drug counselor, (28) any person who is a licensed marital and family therapist, (29) any person who is a sexual assault counselor or a domestic violence counselor, as defined in section 52-146k, (30) any person who is a licensed professional counselor, (31) any person who is a licensed foster parent, (32) any person paid to care for a child in any public or private facility, child care center, group child care home or family child care home licensed by the state, (33) any employee of the Department of Children and Families or any person who, in the performance of such person's duties, has regular contact with and provides services to or on behalf of children pursuant to a contract with or credential issued by the Department of Children and Families, (34) any employee of the Office of Early Childhood who is responsible for the licensing of child care centers, group child care homes, family child care homes or youth camps, (35) any paid youth camp director, assistant director and staff member who is twenty-one years of age or older, (36) the Child Advocate and any employee of the Office of the Child Advocate, (37) any person who is a licensed behavior analyst, (38) any family relations counselor, family relations counselor trainee or family services supervisor employed by the Judicial Department, (39) any victim services advocate employed by the Office of Victim Services within the Judicial Department, (40) any employee of a juvenile justice program operated by or pursuant to a contract with the Court Support Services Division of the Judicial Department, and (41) any person employed, including any person employed under contract and any independent ombudsperson, to work at a juvenile detention facility or any other facility where children under eighteen years of age are detained and who has direct contact with children as part of such employment.

(c) The Commissioner of Children and Families shall develop an educational training program and refresher training program for the accurate and prompt identification and reporting of child abuse and neglect. Such training program and refresher training program shall be made available to all persons mandated to report child abuse and neglect at various times and locations throughout the state as determined by the Commissioner of Children and Families. Such training program and refresher training program shall be provided in accordance with the provisions of subsection (g) of section 17a-101i to each school employee, as defined in section 53a-65, within available appropriations.

(d) The Department of Children and Families, in consultation with the Department of Education, shall develop a model mandated reporting policy for use by local and regional boards of education. Such policy shall state applicable state law regarding mandated reporting and any relevant information that may assist school districts in the performance of mandated reporting. Such policy shall include, but not be limited to, the following information: (1) Those persons employed by the local or regional board of education who are required pursuant to this section to be mandated reporters, (2) the type of information that is to be reported, (3) the time frame for both written and verbal mandated reports, (4) a statement that the school district may conduct its own investigation into an allegation of abuse or neglect by a school employee, provided such investigation does not impede an investigation by the Department of Children and Families, and (5) a statement that retaliation against mandated reporters is prohibited. Such policy shall be updated and revised as necessary.

Sec. 17a-101a. Report of abuse, neglect or injury of child or imminent risk of serious harm to child. Penalty for failure to report. Notification of Chief State's Attorney. (a)(1) Any mandated reporter, as described in section 17a-101, who in the ordinary course of such person's employment or profession has reasonable cause to suspect or believe that any child under the

age of eighteen years (A) has been abused or neglected, as described in section 46b-120, (B) has had nonaccidental physical injury, or injury which is at variance with the history given of such injury, inflicted upon such child, or (C) is placed at imminent risk of serious harm, or (2) any school employee, as defined in section 53a-65, who in the ordinary course of such person's employment or profession has reasonable cause to suspect or believe that any person who is being educated by the Technical Education and Career System or a local or regional board of education, other than as part of an adult education program, is a victim under the provisions of section 53a-70, 53a-70a, 53a-71, 53a-72a, 53a-72b or 53a-73a, and the perpetrator is a school employee shall report or cause a report to be made in accordance with the provisions of sections 17a-101b to 17a-101d, inclusive.

(b) (1) Any person required to report under the provisions of this section who fails to make such report or fails to make such report within the time period prescribed in sections 17a-101b to 17a-101d, inclusive, and section 17a-103 shall be guilty of a class A misdemeanor, except that such person shall be guilty of a class E felony if (A) such violation is a subsequent violation, (B) such violation was wilful or intentional or due to gross negligence, or (C) such person had actual knowledge that (i) a child was abused or neglected, as described in section 46b-120, or (ii) a person was a victim described in subdivision (2) of subsection (a) of this section.

(2) Any person who intentionally and unreasonably interferes with or prevents the making of a report pursuant to this section, or attempts or conspires to do so, shall be guilty of a class D felony. The provisions of this subdivision shall not apply to any child under the age of eighteen years or any person who is being educated by the Technical Education and Career System or a local or regional board of education, other than as part of an adult education program.

(3) Any person found guilty under the provisions of this subsection shall be required to participate in an educational and training program. The program may be provided by one or more private organizations approved by the commissioner, provided the entire cost of the program shall be paid from fees charged to the participants, the amount of which shall be subject to the approval of the commissioner.

(c) The Commissioner of Children and Families, or the commissioner's designee, shall promptly notify the Chief State's Attorney when there is reason to believe that any such person has failed to make a report in accordance with this section.

(d) For purposes of this section and section 17a-101b, a mandated reporter's suspicion or belief may be based on factors including, but not limited to, observations, allegations, facts or statements by a child, victim, as described in subdivision (2) of subsection (a) of this section, or third party. Such suspicion or belief does not require certainty or probable cause.

Sec. 17a-101b. Report by mandated reporter. Notification of law enforcement agency when allegation of sexual abuse or serious physical abuse. Notification of person in charge of institution, facility or school when staff member suspected of abuse or neglect. (a) An oral or electronic report shall be made by a mandated reporter as soon as practicable but not later than twelve hours after the mandated reporter has reasonable cause to suspect or believe that a child has been abused or neglected or placed in imminent risk of serious harm. An oral report made pursuant to this subsection shall be made by telephone or in person to the Commissioner of Children and Families or a law enforcement agency. If a law enforcement agency receives an oral report, it shall immediately notify the commissioner. An electronic report made pursuant to this subsection shall be made in a manner prescribed by the commissioner. A mandated reporter who makes an electronic report pursuant to this section shall respond to further inquiries from the commissioner or the commissioner's designee made within twenty-four hours of such report.

(b) If the commissioner or the commissioner's designee suspects or knows that such person has knowingly made a false report, the identity of such person shall be disclosed to the appropriate law enforcement agency and to the perpetrator of the alleged abuse.

(c) If the Commissioner of Children and Families, or the commissioner's designee, receives a report alleging sexual abuse or serious physical abuse, including, but not limited to, a report that: (1) A child has died; (2) a child has been sexually assaulted; (3) a child has suffered brain damage or loss or serious impairment of a bodily function or organ; (4) a child has been sexually exploited; or (5) a child has suffered serious nonaccidental physical injury, the commissioner shall, within twelve hours of receipt of such report, notify the appropriate law enforcement agency.

(d) Whenever a mandated reporter, as described in section 17a-101, has reasonable cause to suspect or believe that any child has been abused or neglected by a member of the staff of a public or private institution or facility that provides care for such child or a public or private school, the mandated reporter shall report as required in subsection (a) of this section. The

Commissioner of Children and Families or the commissioner's designee shall notify the principal, headmaster, executive director or other person in charge of such institution, facility or school, or the person's designee, unless such person is the alleged perpetrator of the abuse or neglect of such child. In the case of a public school, the commissioner shall also notify the person's employing superintendent. Such person in charge, or such person's designee, shall then immediately notify the child's parent or other person responsible for the child's care that a report has been made.

(e) For purposes of this section, "child" includes any victim described in subdivision (2) of subsection (a) of section 17a-101a.

Sec. 17a-101c. Written or electronic report by mandated reporter. Not later than forty-eight hours after making an oral report, a mandated reporter shall submit a written or electronic report to the Commissioner of Children and Families or the commissioner's designee. Such reports shall be made in a manner prescribed by the commissioner. When a mandated reporter is a member of the staff of a public or private institution or facility that provides care for such child or public or private school the reporter shall also submit a copy of the written or electronic report to the person in charge of such institution, school or facility or the person's designee. In the case of a report concerning a school employee holding a certificate, authorization or permit issued by the State Board of Education under the provisions of sections 10-144o to 10-146b, inclusive, and 10-149, a copy of the written or electronic report shall also be sent by the Commissioner of Children and Families or the commissioner's designee to the Commissioner of Education or the commissioner's designee. In the case of an employee of a facility or institution that provides care for a child which is licensed by the state, a copy of the written or electronic report shall also be sent by the Commissioner of Children and Families to the executive head of the state licensing agency.

Sec. 17a-101d. Contents of oral and written reports. All reports required pursuant to sections 17a-101a to 17a-101c, inclusive, and section 17a-103, shall contain, if known: (1) The names and addresses of the child and his or her parents or other person responsible for his or her care; (2) the age of the child; (3) the gender of the child; (4) the nature and extent of the child's injury or injuries, maltreatment or neglect; (5) the approximate date and time the injury or injuries, maltreatment or neglect occurred; (6) information concerning any previous injury or injuries to, or maltreatment or neglect of, the child or his or her siblings; (7) the circumstances in which the injury or injuries, maltreatment or neglect came to be known to the reporter; (8) the name of the person or persons suspected to be responsible for causing such injury or injuries, maltreatment or neglect; (9) the reasons such person or persons are suspected of causing such injury or injuries, maltreatment or neglect; (10) any information concerning any prior cases in which such person or persons have been suspected of causing an injury, maltreatment or neglect of a child; and (11) whatever action, if any, was taken to treat, provide shelter or otherwise assist the child. For purposes of this section, "child" includes any victim described in subdivision (2) of subsection (a) of section 17a-101a."

Sec. 17a-101e. Employer prohibited from discriminating or retaliating against employee who makes good faith report or testifies re child abuse or neglect. Immunity from civil or criminal liability. False report of child abuse. Referral to office of the Chief State's Attorney. Penalty. (a) No employer shall (1) discharge, or in any manner discriminate or retaliate against, any employee who in good faith makes a report pursuant to sections 17a-101a to 17a-101d, inclusive, and 17a-103, testifies or is about to testify in any proceeding involving child abuse or neglect, or (2) hinder or prevent, or attempt to hinder or prevent, any employee from making a report pursuant to sections 17a-101a to 17a-101d, inclusive, and 17a-103, or testifying in any proceeding involving child abuse or neglect. The Attorney General may bring an action in Superior Court against an employer who violates this subsection. The court may assess a civil penalty of not more than two thousand five hundred dollars and may order such other equitable relief as the court deems appropriate.

(b) Any person, institution or agency which, in good faith, (1) makes a report pursuant to sections 17a-101a to 17a-101d, inclusive, and 17a-103, or (2) provides professional medical intervention or assistance in any proceeding involving child abuse and neglect, including, but not limited to, (A) causing a photograph, x-ray or a physical custody examination to be made, (B) causing a child to be taken into emergency protective custody, (C) disclosing a medical record or other information pertinent to the proceeding, or (D) performing a medically relevant test, shall be immune from any liability, civil or criminal, which might otherwise arise from or be related to the actions taken pursuant to this subsection and shall have the same immunity with respect to any judicial proceeding which results from such report or actions, provided such person did not perpetrate or cause such abuse or neglect. The immunity from civil or criminal liability extends only to actions done pursuant to this subsection and does not extend to the malpractice of a medical professional that results in personal injury or death.

(c) Any person who is alleged to have knowingly made a false report of child abuse or neglect pursuant to sections 17a-101a to 17a-101d, inclusive, and 17a-103 shall be referred to the office of the Chief State's Attorney for purposes of a criminal investigation.

(d) Any person who knowingly makes a false report of child abuse or neglect pursuant to sections 17a-101a to 17a-101d, inclusive, and 17a-103 shall be fined not more than two thousand dollars or imprisoned not more than one year or both.

Sec. 4a-79. Federal Social Security number or employer identification number required on each license issued by a public agency. (a) Each public agency, as part of any procedure for issuing any license, shall require each person making application for a license to provide such person's federal Social Security account number or federal employer identification number, or both, if available, to the licensing agency or where such number or numbers are unavailable, the reason or reasons for the unavailability. The numbers or reasons shall be obtained by the agency as part of the administration of taxes administered by the commissioner for the purpose of establishing the identification of persons affected by such taxes.

(b) Each public agency issuing any licenses shall on or before February 1, 1995, and February first annually thereafter furnish to the commissioner on a compatible magnetic tape file or in some other form which is acceptable to the commissioner, a list of all persons to whom licenses were issued by such agency during the preceding calendar year.

(c) Each list provided to the commissioner pursuant to this section shall contain the name, address and federal Social Security account number or federal employer identification number of each person named on such list, or both, if available to such agency or the reason or reasons for the unavailability.

Sec. 17b-137a. Social Security number to be recorded on license applications, certain documents and death certificate. Confidentiality. (a) The Social Security number of the applicant shall be recorded on each (1) application for a license, certification or permit to engage in a profession or occupation regulated pursuant to the provisions of title 19a, 20 or 21; (2) application for a commercial driver's license or commercial driver's instruction permit completed pursuant to subsection (a) of section 14-44c; and (3) application for a marriage license made under section 46b-25.

(b) The Social Security number of any individual who is subject to a dissolution of marriage decree, dissolution of civil union decree, support order or parentage determination or acknowledgment shall be placed in the records relating to the matter.

(c) The Social Security number of the deceased person shall be recorded on each death certificate completed in accordance with subsection (b) of section 7-62b.

(d) Any Social Security number of any individual on any record or document required pursuant to this section shall not be disclosed except as provided under section 17b-137.

19a-79-2a. Licensure procedures

19a-79-2a. Licensure procedures

- (a) No person, group of persons, association, organization, corporation, institution or agency, public or private, shall operate a child day care center or group day care home without a license issued by the department in accordance with sections 19a-77 through 19a-87, of the Connecticut General Statutes and 19a-79a-1a through 19a-79-13, of the Regulations of Connecticut State Agencies.
- (b) Application for licensure
 - (1) Application for the initial granting or renewal of a license to operate a child day care center or a group day care home shall be on forms provided by the department.
 - (2) The application for initial licensure shall be signed by the operator, who shall be twenty (20) years of age or older if the operator is an individual, or by the legal representative of the operator if the operator is a group of persons, association, organization, corporation, institution or agency, public or private, and shall contain the following information:
 - (A) a notarized original affidavit on a form supplied by the department;
 - (B) the name of the child day care center or the group day care home and address and telephone number (and mailing address, if different);
 - (C) the name, home address(es) and home phone number(s) of the operator, if the operator is an individual, or of the legal representative of the operator, if the operator is a group of persons, association, organization, corporation, institution or agency, public or private;
 - (D) a copy of the current fire marshal certificate of approval, written verification of compliance with state and local building codes, local zoning requirements and local health ordinances;
 - (E) proposed licensed capacity;
 - (F) ages of children to be served;
 - (G) days, hours and months of program operation;
 - (H) criminal checks and a check of the State Child Abuse Registry as required by section 19a-79-4a(b) of the Regulations of Connecticut State Agencies; and
 - (I) all other documentation that the commissioner deems necessary to establish that the licensee will meet the health, educational and social needs of the children likely to attend the child day care center or group day care home.
- (c) Issuance and renewal of a license
 - (1) Upon determination by the department that a child day care center or group day care home is in compliance with the state statutes and regulations and local health codes pertaining to its licensure, the department shall issue a two (2) year license for all new programs.
 - (2) Renewal of a license shall be contingent upon payment of the licensure fee for the period specified in section 19a-80 of the Connecticut General Statutes.
 - (3) The license shall be issued to the operator in the name of the child day care center or group day care home and premises as listed on the affidavit. The license shall not be transferable.
 - (4) Each license shall list:
 - (A) the operator,
 - (B) the location,
 - (C) the licensed capacity,
 - (D) the name of the child day care center or group day care home,
 - (E) the date of expiration of the license, and
 - (F) the services offered.
 - (5) The license shall be posted in a conspicuous place in the child day care center or group day care home in an area accessible to the public.

19a-79-2a. Licensure procedures

- (6) Each operator who desires to make application for a license shall submit a complete application to the commissioner at least sixty (60) days prior to the anticipated date of opening.
 - (7) At least every two (2) years, the commissioner and the local health director shall make unannounced visits, inspections or investigations of a licensed child day care center or group day care home, including viewing the records required by section 19a-79-1a to section 19a-79-13, inclusive, of the Regulations of Connecticut State Agencies.
 - (8) If a completed application for renewal of the license has been submitted in a timely manner to the department, but has not been acted upon by the commissioner, the license shall be valid until the commissioner makes a decision on such application.
- (d) Civil Penalties and Other Disciplinary Remedies
- (1) In accordance with the procedures set forth in sections 19a-79(b) and 19a-84 of the Connecticut General Statutes, if the department finds that the operator of a child day care center or group day care home has failed to substantially comply with section 19a-79-1a to section 19a-79-13, inclusive, of the Regulations of Connecticut State Agencies, the department may, following a contested case hearing only, take any of the following actions, singly or in combination, against the license of the operator:
 - (A) revocation of the license;
 - (B) suspension of the license for a specific time period, or until regulatory compliance is secured or conditions deemed necessary to protect the health, safety and welfare of the children cared for in the child day care center or group day care home are met;
 - (C) the imposition of a civil penalty of up to one hundred dollars (\$100.00) per day for each day of violation of sections 19a-79-1a to 19a-79-13, inclusive, of the Regulations of Connecticut State Agencies; or
 - (D) place the license on probationary status and impose such conditions or corrective measures which the department deems necessary to assure the health, safety and welfare of the children cared for in the child day care center or group day care home, including, but not limited to:
 - (i) reporting regularly to the department upon the matters, which are the basis of probation;
 - (ii) placement of restrictions upon the operation of the child day care center or group day care home deemed necessary to protect the health, safety and welfare of the children cared for in the facility; and,
 - (iii) continue or renew professional education until a satisfactory degree of skill has been attained in those areas which are the basis for the probation.
 - (2) The commissioner may initiate action against a license, whenever in the judgment of the commissioner, the operator or a person who has an ownership interest or serves as an officer, corporate director, managing member or managing partner of the operator:
 - (A) fails or previously failed to substantially comply with:
 - (i) all applicable federal, state or local laws;
 - (ii) ordinances or regulations related to the building, health, fire protection, safety, sanitation or zoning codes;
 - (iii) sections 19a-79-1a to section 19a-79-13, inclusive, of the Regulations of Connecticut State Agencies; or
 - (iv) sections 19a-87b-1 to section 19a-87b-18, inclusive, of the Regulations of Connecticut State Agencies.
 - (B) knowingly furnishes or makes any false or misleading statements to the department in order to obtain or retain the license.
 - (3) The commissioner may refuse to grant a license to an applicant whenever, in the judgment of the commissioner, the applicant:
 - (A) fails or previously failed to substantially comply with:
 - (i) all applicable federal, state or local laws;

19a-79-3a. Administration

- (ii) ordinances or regulations related to the building, health, fire protection, safety, sanitation or zoning codes;
 - (iii) sections 19a-79-1a to section 19a-79-13, inclusive, of the Regulations of Connecticut State Agencies; or
 - (iv) sections 19a-87b-1 to section 19a-87b-18, inclusive, of the Regulations of Connecticut State Agencies
- (B) knowingly furnishes or makes any false or misleading statements to the department in order to obtain the license.
- (C) For the purposes of this section, the history of a licensee of which an officer, corporate director, managing member or managing partner of the applicant or the applicant had an ownership interest or served as an officer, corporate director, managing member or managing partner shall be considered as attributable to the applicant in assessing compliance under subparagraph (A) of this subdivision.
- (4) The licensee has a right to a hearing regarding any licensure action as stated in section 19a-84 of the Connecticut General Statutes.
- (5) The child day care center or group day care home shall notify the parent(s) of the children using the child day care center or group day care home within twenty-four (24) hours of the department's revocation or suspension order.
- (6) After issuance of the commissioner's decision to suspend or revoke a license to operate, the license shall be surrendered to the department on demand.
- (e) Voluntary surrender of license
 - (1) At least thirty (30) days prior to the voluntary termination of day care services the department and the parent(s) shall be notified in writing by the child day care center or group day care home of its intended date of closing.
 - (2) When a child day care center or group day care home discontinues the operation for which it is licensed, a written notice of the closing accompanied by the license shall be sent to the commissioner within ten (10) days after the date of closing. Such a child day care center or group day care home shall be inspected and licensed before reopening for operation.
(Added effective July 27, 1993; Amended effective March 4, 1999; March 29, 2001; March 8, 2004; November 6, 2008.)

19a-79-3a. Administration

- (a) The operator of the child day care center or group day care home shall be responsible for compliance with the requirements of sections 19a-79-1a to section 19a-79-9a, inclusive, and section 19a-79-13 of the Regulations of Connecticut State Agencies and applicable endorsements in sections 19a-79-10 to section 19a-79-12, inclusive, in such a manner as to ensure the safety, health and development of the children while in the operator's care.
- (b) The operator shall be responsible for the overall management and operation of the child day care center or group day care home in accordance with applicable state and local laws and regulations and shall:
 - (1) provide and maintain a safely equipped physical plant,
 - (2) provide programs and services to meet the needs of the children,

19a-79-4a. Staffing

- (f) The parent(s) shall have immediate access to the child day care center or group day care home during the hours of operation, unless otherwise prohibited by law.
- (g) The operator shall keep on file for a two (2) year period at the child day care center or group day care home all inspection reports, the current licensing application and correspondence related to licensure which shall be available to the parent(s) and the department on request.
- (h) Failure to grant the department immediate access to the child day care center or group day care home, its staff or its records or failure to provide the department with documentation obtained by the facility about child abuse or neglect or conviction records, upon request of the department, shall be grounds for suspension or revocation of the license or denial of issuance or renewal of the license. The operator may deny access to facility inspections if department staff fails to show official identification.
- (i)
 - (1) The operator shall notify the parent(s), if the department issues a notice of hearing for the suspension or revocation of the license pursuant to section 19a-84 of the Connecticut General Statutes, of the proceeding and the alleged violation. The notification to parents shall be in writing and sent by United States mail, certified or registered, postage prepaid, return receipt requested not later than ten (10) days before the scheduled hearing date. The operator shall demonstrate compliance with this subsection at the commencement of the hearing. Inability to do so shall be construed as a substantial failure to comply with the regulations and may constitute an additional basis for suspension or revocation of the license in that proceeding without a new statement of charges.
 - (2) In addition to the requirements of this section of the Regulations of Connecticut State Agencies, the operator shall notify the parent(s) in writing of the final decision of the department if one is rendered, within fourteen (14) days of the receipt of the decision.
- (j) The operator shall provide to the department copies of all service contracts or current agreements with consultants, practitioners and agencies used on a regular or consultative basis in the delivery of services within ten (10) days after execution of said contract or agreement. Any changes in said contracts or agreements shall be reported to the department within ten (10) days.
- (k) The operator shall enroll only children for whom the child day care center or group day care home is licensed to provide services. No services that require an endorsement shall be provided without the applicable endorsement from the department. Categories for licensure are:
 - (1) six (6) weeks to three (3) years,
 - (2) preschool (three (3) years to five (5) years),
 - (3) school age, and
 - (4) night care.
- (l) For September, October, November and December enrollment only, a child who will be three (3) on or before January 1, may be enrolled as a three year old. At any other time of the year a three (3) year old must have had his or her third (3rd) birthday to be considered a three (3) year old.
- (m) The operator shall be responsible for compliance with all applicable motor vehicle laws when transporting children enrolled in any child day care center or group day care home.
(Added effective July 27, 1993; Amended effective November 6, 2008.)

 - (i) the recognition and emergency management of bleeding, burns, poisoning, anaphylaxis, respiratory distress including choking, musculo-skeletal injury, seizures, wounds including insect bites, head injuries, shock, loss of consciousness, dental emergencies, child abuse and sexual abuse;
 - (ii) communicable disease prevention, recognition and management, which includes: a discussion of transmission through the intestinal tract, the respiratory system and direct contact; hygiene, including hand washing, cleaning and disinfection; diapering techniques; signs and symptoms of illness, including fever, rash and vomiting; temperature taking; education in specific communicable disease, including, but not necessarily limited to, diarrheal diseases, bacterial meningitis, chicken pox, hepatitis, strep throat, head lice, scabies and vaccine-preventable diseases; and
 - (iii) accident prevention and safety including, but not necessarily limited to: safety for the indoor environment and outdoor play area, first aid supplies, child restraint systems and seat belt safety in accordance with section 14-100a of the Connecticut General Statutes and section 14-100a-1 of the Regulations of Connecticut State Agencies.
 - (C) Instruction shall be provided by a person who meets at least one of the following requirements:
 - (i) a first aid instructor currently certified by the American Red Cross, American Safety and Health Institute, Medic First Aid International, Inc., National Safety Council or an American Heart Association Heartsaver Instructor or BLS Instructor,
 - (ii) a physician, physician assistant, advanced practice registered nurse or registered nurse licensed in this or another state or
 - (iii) an emergency medical technician or paramedic.
 - (D) The course outline and all other written materials used in the course shall be submitted to the department and shall not be used without approval by the department.

19a-79-4a. Staffing

- (f) The child day care center or group day care home shall keep on file written verification of compliance with subsection (e) of this section for each staff member who the child day care center or group day care home designates to meet the requirements of such subsection. Such verification shall be maintained for three (3) years after the date that staff member completed first aid training for group day care homes and child day care centers, or CPR training as required for child day care centers only. Verification shall include:
 - (1) written verification or certification in CPR from an organization specified in accordance with section 19a-79(a)(5) of the Connecticut General Statutes that is signed and dated by a representative of the specified organization; and
 - (2) written verification of first aid training by a representative of the organization, physician, physician assistant, advanced practice registered nurse, registered nurse, emergency medical technician or paramedic who conducted the training.
- (g) Professional development for program staff shall be required for one (1) per cent of the total annual hours worked. Such education may include, but is not limited to, early childhood education and child development, licensing and regulations, health issues, nutrition, first aid, social services, child abuse laws and programming for children with disabilities or special health care needs.
 - (1) The operator of the child day care center or group day care home shall develop, implement and maintain a written plan for professional development in child care.
 - (2) The operator shall have documentation of a professional development plan for each program staff member which shall be maintained on site at the facility and made available for review.
- (h) A written plan for consultation services shall be developed, signed annually by the consultant and implemented.
 - (1) These services shall include:
 - (A) an early childhood educational consultant available to the operator and staff for advice and support regarding the educational content of the program; anyone approved as an early childhood consultant prior to January 1, 2009, will continue to be an approved early childhood educational consultant, except for good cause shown. Program staff shall not serve as early childhood educational consultants for programs in which they provide direct care or direct program supervision in a non-consultative role;
 - (B) a health consultant available to the operator and staff for advice regarding the health of the children and the health program;
 - (C) a dentist or dental hygienist consultant available to the operator and staff for advice regarding the dental health of children or a dental health education program;
 - (D) a social service consultant available to the operator and staff for advice regarding the emotional needs, staff support and the social service program; and
 - (E) a registered dietitian consultant available to the operator and staff for advice regarding nutrition and food service for those programs that serve meals.
 - (2) Consultative service shall include, but not necessarily be limited to:
 - (A) annual review of written policies, plans and procedures;
 - (B) annual review of education programs;
 - (C) availability by telecommunication for advice regarding problems;
 - (D) availability, in person, of the consultant to the program;
 - (E) consulting with administration and staff about specific problems;
 - (F) acting as a resource person to staff and the parent(s);
 - (G) documenting the activities and observations required in this subsection in a consultation log that is kept on file at the facility for two (2) years; and

19a-79-5a. Record keeping

- (H) specific duties of the health consultant shall include, but not be limited to:
 - (i) making, at a minimum, quarterly site visits to facilities that serve children three (3) years of age and older; or for group day care homes, facilities that operate no more than three (3) hours per day, or facilities that enroll only school age children, semi-annual site visits. Facilities that are closed during the summer months may omit the summer quarterly visit. Site visits shall be made by the health consultant during customary business hours when the children are present at the facility;
 - (ii) reviewing health and immunization records of children and staff;
 - (iii) reviewing the contents, storage and plan for maintenance of first aid kits;
 - (iv) observing the indoor and outdoor environments for health and safety;
 - (v) observing children's general health and development;
 - (vi) observing diaper changing and toileting areas and diaper changing, toileting and hand washing procedures;
 - (vii) reviewing the policies, procedures and required documentation for the administration of medications, including petitions for special medication authorizations needed for programs that administer medication; and
 - (viii) assisting in the review of individual care plans for children with special health care needs or children with disabilities, as needed.

- (3) The commissioner, with good cause shown, may deny or revoke a consultant's approval status as a consultant to licensed child day care centers and group day care homes.

(Added effective July 27, 1993; Amended effective August 8, 1995; March 4, 1999; December 23, 2002; November 6, 2008.)

19a-79-5a. Record keeping

- (a) The operator of a child day care center or group day care home is responsible for maintaining on the licensed premises a current record for each child enrolled. A copy of the record shall be available and provided upon request to the department, the child's parent(s) and the local health director. It shall include, but not necessarily be limited to:
 - (1) enrollment information and permission forms signed and dated by the parent(s) that shall include, but not necessarily be limited to:
 - (A) the child's name, address, date of birth and date enrolled;
 - (B) the residence, business address(es) and telephone number(s) of the parent(s);
 - (C) the name and telephone number of the child's physician or other primary health care provider;
 - (D) specific written permission forms signed by the parent(s) authorizing:
 - (i) the operator to use previously selected emergency policies as described in section 19a-79-3a(d)(4) of the Regulations of Connecticut State Agencies, which shall accompany the child on trips away from the premises;
 - (ii) the name and telephone number of one responsible person other than the parent(s) who can remove the child from the child day care center or group day care home;
 - (iii) any activity away from the premises;
 - (iv) transportation services;
 - (2) a health record that shall include, but not necessarily be limited to:
 - (A) date of birth;
 - (B) except as provided in subsection (b) of this section, a physical examination form signed by a physician, physician assistant or advanced practice registered nurse documenting an examination completed within one (1) year prior to enrollment, and yearly from the date of the initial physical examination thereafter, with a thirty-day allowance, which form shall provide:

19a-79-5a. Record keeping

- (i) a statement about the child's general health and the presence of any known medical or emotional illness or disorder that would currently pose a risk to other children or which would currently affect this child's functional ability to participate safely in a day care setting; and
 - (ii) a statement that the child has been screened for risk factors for tuberculosis, as defined by the American Academy of Pediatrics, and for those children with identified risk factors, evidence that the child has been screened for latent tuberculosis infection and if infected, whether they have been treated for such infection;
 - (C) an immunization record that includes the month, day and year of each immunization required for admission as specified in subdivision (1) of subsection (d) of section 19a-79-6a of the Regulations of Connecticut State Agencies and such documentation as is required to confirm age appropriate immunization, immunization in progress or exemption to immunization as defined in subdivision (3) of subsection (d) of section 19a-79-6a of the Regulations of Connecticut State Agencies. The immunization record and said documentation of immunizations shall be submitted to the department upon request;
 - (D) copies of the health records acceptable to the local education authority and the local director of health, where children of school age are enrolled; and
 - (E) information regarding disabilities or special health care needs such as, allergies, special dietary needs, dental problems, hearing or visual impairments, chronic illness, developmental variations or history of contagious disease, and an individual plan of care for a child with special health care needs or disabilities, developed with the child's parent(s) and health care provider and updated, as necessary. Such plan shall include appropriate care of the child in the event of a medical or other emergency and shall be signed by the parent(s) and staff responsible for the care of the child.
- (3) Injury, illness and accident reports:
- (A) The facility shall produce and maintain on the premises, for a period of not less than two years, a written record of all injuries or accidents that result in an injury to a child or illness of a child enrolled at the facility that occur on or off site as part of the child day care program. The report shall include a description of the injury, illness or accident, the date, time of occurrence and location and any action taken by the facility including, but not limited to, whether the child was transported to a hospital emergency room, doctor's office or other medical facility. The written report for an individual child shall be available to the department and a copy shall be provided to the child's parent(s) no later than the next business day.
 - (B) The licensee shall notify the department no later than the next business day of:
 - (i) the death of a child enrolled at the facility, if the child died while at the facility, or at a facility sponsored event; and
 - (ii) any injury of a child that occurs while the child is at the facility, or at a facility sponsored event, that results in the child's admission to a hospital.
 - (C) The licensee of a child day care center or group day care home shall report each case occurring at the facility of any disease listed on the commissioner's list of reportable diseases and laboratory findings issued pursuant to section 19a-2a of the Connecticut General Statutes to local health officials and the department in accordance with sections 19a-36-A3 and 19a-36-A4 of the Regulations of Connecticut State Agencies.

19a-79-6a. Health and safety

- (b) The physical examination requirements of section 19a-59-5a (a)(2)(B) shall be waived when such examination is contrary to the religious beliefs and practices of the child or the parent(s) of such child, or when a child has been displaced from their place of residence due to a declared state of emergency by a state or federal official who has the authority to make such declaration, and existing physical examination records are inaccessible for a period not to exceed six (6) months, unless an extension is approved by the department. A statement requesting such waiver shall be submitted and shall be maintained in the child's health record. Such statement shall be signed by the parent(s). The parent(s) shall certify that he or she accepts complete responsibility for the health of the child and that, to the best of the parent's knowledge, the child is in good health.

(Added effective July 27, 1993; Amended effective August 8, 1995; August 29, 1996; March 8, 2004; November 6, 2008.)

19a-79-6a. Health and safety

- (a) Food service
- (1) Transportation of food(s) not prepared on the premises shall satisfy the minimum requirements of section 19-13-B49 of the Regulations of Connecticut State Agencies.
 - (2) A nutritionally adequate meal as recommended by The United States Department of Agriculture, 7 Code of Federal Regulations 226.20, as amended, shall be provided by the child day care center or group day care home, or the parent(s) whenever a child remains on the premises for five (5) hours or more.
 - (A) Children who stay on the premises less than five (5) hours shall have a nutritious snack.
 - (B) Children who stay on the premises longer than five (5) but less than eight (8) hours shall have one (1) meal and one (1) nutritious snack.
 - (C) Children who stay on the premises eight (8) hours or more shall have one (1) meal plus two (2) nutritious snacks, or two (2) meals plus one (1) nutritious snack.
 - (3) There shall be proper refrigeration of no more than forty-five (45) degrees Fahrenheit for perishable foods in all child day care centers and group day care homes and on field trips.
 - (4) When a child day care center or group day care home provides either meals or snacks, menus shall be prepared at least one (1) week in advance, dated and copies posted in a conspicuous place. Changes shall be documented by the end of the program day. A copy of what was served shall be kept on file for three (3) months.
 - (5) All areas used for the preparation and serving of meals in child day care centers shall be maintained in accordance with sanitary practices and procedures as set forth in section 19-13-B42 of the Regulations of Connecticut State Agencies.
 - (6) The kitchen in child day care centers or group day care homes that is used for the preparation and serving of food to children shall be clean, well lighted and ventilated, protected by window screening and provided with hot and cold running water, adequate and safe storage for food and supplies and refrigeration.
 - (7) Separate hand washing facilities shall be located convenient to the room where food is prepared in child day care centers and group day care homes.
 - (8) All multi-use eating and drinking utensils shall be thoroughly washed, rinsed and sanitized after each use in child day care centers and group day care homes.
 - (9) The kitchen in child day care centers or group day care homes shall not be used as a playroom, but may be used for a specific program activity room under supervision. It shall be separated by a door or a gate from the rooms used by the children in the child day care center or group day care home to prevent them from entering the kitchen except under supervision.
 - (10) Children in child day care centers or group day care homes shall not be left unsupervised during meal preparation.

19a-79-6a. Health and safety

- (11) Children and staff shall wash their hands with soap and water before eating or handling food.
- (b) Procedures in case of illness
 - (1) Staff members shall be knowledgeable about signs and symptoms of childhood illness and shall be responsible for the initial observation of each child upon arrival and continued observation throughout the day for such signs and symptoms.
 - (2) Any child showing suspicious signs or symptoms of short-term contagious illness shall be placed in a designated isolation area with continual visual supervision by staff. The parent(s) or other authorized adult shall be called immediately to remove the child from the child day care center or group day care home.
- (c) The facility shall maintain at least one (1) portable, readily available first aid kit wherever children are in care, including field trips, outdoor play areas and one to remain at the facility if all the children do not attend the field trip. Each kit shall be a closed container for storing first aid supplies, accessible to staff at all times but out of the reach of children. First aid kits shall be restocked after use, and an inventory shall be conducted at least monthly. The first aid kit shall contain at least the following items:
 - (1) assorted sizes of non medicated adhesive strips;
 - (2) sterile, individually wrapped, three (3) or four (4) inch gauze squares;
 - (3) a two (2) inch gauze roller bandage;
 - (4) one (1) roll of adhesive tape (hypoallergenic);
 - (5) scissors;
 - (6) tweezers;
 - (7) two (2) instant cold packs;
 - (8) a non-glass thermometer to measure a child's temperature with plastic covers for the thermometer or alcohol to clean the thermometer, or single use Tempa Dots;
 - (9) two (2) triangular bandages with safety pins;
 - (10) disposable, nonporous gloves;
 - (11) a current American Academy of Pediatrics (AAP) standard first aid chart, or current (less than five (5) years in print) first aid manual, chart or guide provided by an approved first aid course for children and adults; and
 - (12) CPR mouth barrier (face shield).
- (d) First aid supplies for field trips shall also include:
 - (1) water;
 - (2) reliable communication device;
 - (3) liquid soap;
 - (4) emergency contact numbers for each child;
 - (5) medications, as needed, if the program administers medications; and
 - (6) plastic bags, for storage.
- (e) Immunization requirements
 - (1) A child seeking admission to or attending a child day care center or group day care home shall be protected as age-appropriate by adequate immunization against diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hemophilus influenzae type b, hepatitis b if such child was born after December 31, 1993, and varicella if such child was born after December 31, 1996 and against any other disease for which vaccination is recommended in the current schedule for active immunization adopted by the commissioner in accordance with section 19a-7f of the Connecticut General Statutes.
 - (2) The operator shall admit no child to a child day care center or group day care home unless such child's parent(s) furnishes documentation of age-appropriate immunization, immunization-in-progress or exemption from immunization as specified in subdivision (3) of this subsection. No child shall be permitted to continue to attend a child day care center or group day care home for more than thirty (30) days unless such child continues to meet said requirements of subdivision (3) of this subsection.

19a-79-7a. Physical plant

- (3) For each enrolled child, the operator shall obtain from the child's parent(s) and keep on file at the child day care center or group day care home one or more of the following types of documentation for each of the diseases listed in subdivision (1) of this subsection:
- (A) a statement signed and dated by a physician, physician assistant or an advanced practice registered nurse indicating that the child is current or in progress with immunizations according to the schedule adopted by the commissioner in accordance with section 19a-7f of the Connecticut General Statutes and that names the appointment date for the child's next immunization;
 - (B) a statement signed and dated by a physician, physician assistant or an advanced practice registered nurse indicating that the child has an appointment that will keep the immunizations current or in progress as required by said schedule and that names the date for the child's next immunization;
 - (C) a statement signed and dated by a physician, physician assistant or an advanced practice registered nurse indicating that the child has laboratory confirmed proof of immunity to natural infection, or, in the case of varicella, a statement signed and dated by a physician, physician assistant or an advanced practice registered nurse indicating that the child has already had chickenpox based on family or medical history;
 - (D) a statement signed and dated by a physician, physician assistant or an advanced practice registered nurse indicating that the child has a medical contraindication to immunization;
 - (E) a written statement that immunization is contrary to the religious beliefs and practices of the child or the parent(s) of such child. Such statement shall be signed by the child's parent(s); or
 - (F) a written statement from the child's parent(s) that the child has been displaced from their place of residence due to a declared state of emergency by a state or federal official who has the authority to make such declaration, and existing immunization records are inaccessible and the child is current with their immunizations, or a statement signed and dated by a physician, physician assistant, or an advanced practice registered nurse indicating that the child has an appointment that shall keep the immunizations current or in progress as required by said schedule.
- (4) For each child to whom subparagraph (B) or (F) of subdivision (3) of this section applies, continued enrollment in day care for more than thirty (30) days after the named immunization appointment shall be contingent on the operator receiving written documentation from a physician, physician assistant or an advanced practice registered nurse stating either: that the named appointment was kept and the child received the scheduled immunizations, or that the child was unable to receive the scheduled immunizations for medical reasons and a new appointment date is named.

(Added effective July 27, 1993; Amended effective August 29, 1996; December 28, 1999; November 6, 2008.)

19a-79-7a. Physical plant

- (a) The standards established by the following sources for the construction, renovation, alteration, expansion, conversion, maintenance and licensure of child day care centers and group day care homes, as they are amended from time to time, are incorporated and made a part of this section by reference:
- (1) State of Connecticut Basic Building Code,
 - (2) State of Connecticut Fire Safety Code,
 - (3) State of Connecticut Public Health Code,
 - (4) local codes and ordinances.

19a-79-7a. Physical plant

- (b) Plans for new construction, expansion, renovation or conversion, indicating the proposed use and accompanied by a written narrative shall be submitted to the department prior to the start of construction.
 - (1) Completed plans and specifications shall be submitted to and reviewed by the department on the basis of compliance with the Public Health Code.
 - (2) Written approval by the local building inspector, local director of health or designee, local zoning and local fire marshal shall be submitted to the department, upon request of the department.
 - (3) Approval by the department is required prior to the use of any space that has been newly constructed, expanded, renovated or converted.
 - (4) All construction, remodeling, renovation, repairs or alterations of structures shall be done in such a manner to prevent hazards or unsafe physical or environmental conditions during periods of operation.
- (c) General requirements
 - (1) Any operator is responsible for maintaining the child day care center or group day care home in compliance with section 19a-79-1a to section 19a-79-13, inclusive, of the Regulations of Connecticut State Agencies.
 - (2) The building, equipment and services shall be maintained in a good state of repair. A maintenance program shall be established that ensures that the interior, exterior and grounds of the building are maintained, kept clean and orderly, free from accumulations of refuse, dampness, stagnant water, dilapidated structures and other health and safety hazards.
 - (3) Water supply, food service and sewage disposal facilities shall be in compliance with all applicable sections of the Public Health Code.
 - (A) All water supplies shall be tested every two (2) years for lead content and the results submitted to the local and state health departments.
 - (B) Whenever water is obtained from other than a department-approved public water supply, it shall be of a safe and sanitary quality and tested every two (2) years for bacterial and chemical quality and the results submitted to the local and state health departments.
 - (C) Sanitary drinking fountains or individual disposable drinking cups shall be provided and accessible to the children at all times.
- (d) Basic requirements
 - (1) Emergency vehicles shall have access to all child day care centers or group day care homes.
 - (2) Established walkways shall be provided and properly maintained for each entrance and exit leading to a driveway or street.
 - (3) In child day care centers that are licensed by January 1, 1994, a toilet and sink shall be designated for use by the staff and other adults. In child day care centers that are licensed or renovated after January 1, 1994, a room with a toilet and sink within the licensed child day care center shall be designated for the exclusive use of staff and other adults.
 - (4) All windows that open to the outside and are used for ventilation shall be equipped with sixteen (16) mesh screening, and shall be protected to prevent falls.
 - (5) Any unprotected glass doors, windows or mirrors to which children have access shall be protected to a height of thirty six (36) inches from the floor or surface on which a child stands.
 - (6) Where overhead doors are accessible to the children, they shall be equipped with locking devices and spring protectors.
 - (7) Exit doorways, stairs or hallways shall not be blocked by furniture, toys or play equipment.
 - (8) There shall be an area available for the individual storage of each child's clothing and bedding.

19a-79-7a. Physical plant

- (9) Smoking is prohibited in all child day care centers or group day care homes and outdoor areas except in designated smoking areas, provided these areas are separate, properly ventilated and enclosed away from any children present at the facility. Signs shall be posted, visible to the public, on entrance to the facility indicating that smoking is prohibited except in designated areas. Matches and lighters shall be inaccessible to children at all times.
- (10) Electrical outlets shall be provided with safety covers or approved safety outlets. The use and maintenance of electrical cords, appliances and adaptors shall be in full compliance with state codes.
- (11) Toilet and washing facilities
 - (A) Where toilets and sinks are shared by children and adults, a written policy shall be developed and implemented that requires supervision of children when using the shared toilet room.
 - (B) Programs shall provide changing and sanitary facilities appropriate to meet the individual needs of children who are enrolled at the facility who need assistance with toileting or who are not independent with toileting.
 - (C) For programs serving children under six (6) years of age there shall be at least one (1) toilet and one (1) sink with hot and cold running water for every sixteen (16) children, or fraction thereof. Standard size toilets and sinks shall be adapted for children's use. Facilities using potty chairs in addition to the required toilets shall ensure that they are of a nonporous, synthetic product, and emptied into the toilet, cleaned and disinfected after each individual use.
 - (D) For programs serving only school age children, there shall be at least one (1) toilet and one (1) sink with running water for every twenty-five (25) children, or fraction thereof. Toilet facilities shall be designed in such a manner to allow individual privacy.
 - (E) Sinks with running water shall be readily accessible to the toilet rooms if not located within them. Toilet tissue, soap, single use disposable towels and a waste receptacle shall be accessible to the toilets and sinks. Staff and children shall wash their hands with soap and water after toileting.
 - (F) Each toilet room shall be well lighted and ventilated to the outside atmosphere.
 - (G) In child day care centers constructed or renovated after January 1, 1994, all toilet facilities shall be mechanically ventilated to the outside atmosphere.
- (e) Environmental requirements
 - (1) Every area used by children shall be adequately ventilated and have a thermometer affixed to the wall. The ambient air temperature shall be at least sixty-five (65) degrees Fahrenheit as measured three (3) feet from the floor.
 - (2) When the temperature exceeds eighty (80) degrees Fahrenheit, the operator shall provide more fluids and increase ventilation.
 - (3) The water heating equipment shall deliver water at the tap, the temperature of which shall be within a range of sixty (60) degrees Fahrenheit to one hundred fifteen (115) degrees Fahrenheit. It shall have the capacity to deliver the required amounts at all times in conformance with the State of Connecticut Basic Building Code.
 - (4) Only central heating or permanently installed heating systems shall be used. Portable space heaters are prohibited.
 - (5) Walls, ceilings, floors and rugs shall be maintained in a state of good repair and be washable or easily cleanable. Rugs, if used, shall be secured to the floor.
 - (6) Hot water or steam pipes located in areas accessible to children shall have adequate protective covering which is maintained safely and in good repair.
 - (7) Each level of the child day care center or group day care home shall be provided with a telephone in working order located within the licensed program space accessible to staff for emergency purposes. Emergency telephone numbers shall be posted in an area adjacent to the phone.

19a-79-7a. Physical plant

- (8) All spaces occupied by people, equipment within buildings, approaches to buildings and parking lots shall have a minimum of one (1) foot candle of lighting per square foot.
 - (9) Child day care centers and group day care homes shall have at least fifty (50) foot candles of light per square foot in rooms used by children for reading, painting and other close work. There shall be at least thirty (30) foot candles of light in other work or play areas. In child day care centers and group day care homes constructed or renovated after January 1, 1994, all rooms and toilet rooms shall have at least one (1) light fixture switch at each entrance. All areas accessible to children shall have light fixtures that are shielded or shatter proof.
 - (10) Potentially hazardous substances in the child day care centers and group day care homes shall be stored in a separate locked area.
 - (11) Garbage and rubbish shall be kept in containers constructed of durable material approved by the local health director. Receptacles shall be in good repair to prevent infestations by rodents, insects and other pests and to prevent odors, injuries and other nuisance conditions. The garbage and rubbish shall be moved to an exterior waste storage area at least daily.
 - (12) Stairs must be properly protected and maintained in good repair. There must be handrails installed at a height usable by children.
 - (13) Toxic plants and materials are prohibited in areas accessible to children.
 - (14) Any pet or animal present at the facility, indoors or outdoors, shall be in good health, show no evidence of carrying disease and be a friendly companion for the children.
 - (15) When pets are kept on the premises, procedures for their care and maintenance and access to the children shall be written and implemented.
 - (16) There shall be effective measures taken to prevent vermin from entering or breeding in the child day care center or group day care home. All openings to the outer air used for ventilation shall be screened with a minimum of sixteen (16) mesh screening and doors shall be provided to prevent the entrance of vectors.
 - (17) If the child day care center or group day care home uses the basement level or the first floor of a building, a minimum of one (1) radon test shall be conducted using a device or service listed by the National Radon Proficiency Program and approved by the department.
 - (A) This test shall be completed during the months of November through April and the results posted with the license. The department and the local director of health shall be notified of the results.
 - (B) When confirmatory sampling results of radon gas in the air are equal to or greater than 4.0 picocuries per liter (pCi/L), the operator shall ensure that the radon gas is reduced to below 4.0 pCi/L. A qualified residential mitigation service provider as defined in sections 19a-14b and 20-420 of the Connecticut General Statutes shall be hired to reduce the level of radon gas in the air.
 - (18) Child day care centers and group day care homes that utilize combustible fuel shall be equipped with at least one (1) operable carbon monoxide (CO) detector on each occupied level of the facility. CO detectors shall comply with Underwriters Laboratories (UL) Standards for Safety, and shall be operated in accordance with the manufacturer's instructions.
- (f) Program space
- (1) The requirements of this subdivision shall apply to a child day care center or group day care home operating in a facility first licensed after January 1, 1986.
 - (A) The operator shall provide a minimum of thirty-five (35) square feet of total indoor usable program space per child. The total licensed capacity shall be determined on a room-by-room basis measuring from interior wall to interior wall.
 - (B) Within the allowance for total indoor usable program space, there may be furniture used by other individuals as well as the children; but there shall be open program space available which allows for freedom of movement by the children.

19a-79-7a. Physical plant

- (C) The following items shall be deducted from the total indoor usable square footage of program space:
 - (i) bathrooms, hallways, kitchen and food service areas;
 - (ii) refrigerators;
 - (iii) heating and cooling units;
 - (iv) staff desks and storage units;
 - (v) any space or equipment used for other than the activities of the children; and
 - (vi) large indoor activity room.
- (2) The requirements of this subdivision shall apply to a child day care center or group day care home operating in a facility first licensed before January 1, 1986.
 - (A) The operator shall provide a minimum of thirty (30) square feet of total indoor usable program space per child. Measurements to determine total indoor usable program space shall be taken from interior walls.
 - (B) Such space shall be free of furniture except that needed for the children's purposes, exclusive of toilet rooms, bathrooms, coat rooms, kitchens, halls, isolation room or other rooms used for purposes other than the activities of the children.
- (3) Cots, cribs and playpens shall be placed so that walkways are clear for emergencies and evacuation.
- (g) Equipment. All equipment shall be of such design and material as to be readily cleaned and safe for children.
 - (1) Equipment shall not be colored or covered by any poisonous material. All solid constituents of paint for equipment and toys, and pigment coloring in paints, pencils, crayons and inks, to be used by the children shall be non-toxic. Equipment shall be sturdy, safely constructed and free from protruding nails, rust, toxic material and other hazards.
 - (2) Adequate equipment for rest shall be provided. An individual cot shall be provided for any child who regularly remains five (5) hours or longer per day. When cots are shared, they shall be washed and disinfected and linens changed between children. In a group day care home, an individual mat or individual sleeping bag may be substituted for the individual cot.
 - (3) Metal equipment shall be free from rust or chipping paint.
 - (4) Hardware such as air conditioners, water heaters or fuse boxes shall be inaccessible to children.
 - (5) The materials and equipment available and used by children shall be developmentally appropriate for the ages of the children served.
- (h) Outdoor play space
 - (1) There shall be access to a minimum of seventy-five (75) square feet per child of outdoor space for the number of children using the space at any one time. This could include parks, school yards, parking areas or elevated or roof top play areas. The outdoor area shall be fenced or protected for safety.
 - (2) Where swings, seesaws or climbing apparatus are used, the surface in the space shall be protected with a minimum of eight (8) inches of impact absorbing materials, e.g., sand or its equivalent.
 - (3) The playground shall be free of glass, debris, holes and other hazards.
 - (4) Nuts, bolts and screws shall be tight; and those that protrude shall be covered or protected.
 - (5) Outside equipment shall be anchored for stability. Anchors shall be buried below ground level.

19a-79-8a. Educational requirements

- (6) The operator shall provide documentation to the department, upon request, by a certified playground safety inspector that newly constructed playgrounds and all newly installed playground equipment that are set in position and anchored in such a way to last indefinitely are designed and installed in accordance with U.S. Consumer Product Safety Commission and the American Society for Testing and Materials Standards.
- (7) The outdoor play area shall be protected from traffic, bodies of water, gullies and other hazards by barriers in a manner safe for children.
 - (A) Fences used to protect children from hazards shall be at least four (4) feet in height.
 - (B) When there is a swimming pool or any other body of water at the facility or near enough to the facility to attract or be accessible to children at any time of the year, there shall be a sturdy fence or barrier, four (4) feet high or higher, with locked entrances, which totally and effectively bars access to the water by children.
 - (C) On and after January 1, 2010, a rooftop used as a play area shall be enclosed with a wall, fence or permanent physical barrier not less than six (6) feet high and the bottom edge shall be no more than three and one half (3 1/2) inches from the base or floor. The wall, fence or permanent physical barrier shall be designed to prevent children from climbing it.
- (8) Drinking water shall be available and accessible.
- (9) Outdoor equipment shall be arranged in such a way as to avoid accidents.
- (i) Swimming, wading and bathing facilities. Swimming, wading and bathing facilities, if provided, shall comply with the provisions of sections 19-13- B33b, 19-13-B34 and 19-13-B36 of the Regulations of Connecticut State Agencies. No wading pools shall be used. No day care child shall be permitted in a hot tub, spa or sauna. Hot tubs, spas and saunas shall be locked and inaccessible to children.
- (j) No dangerous weapon as described in section 53-206 of the Connecticut General Statutes or facsimile of a firearm as defined in section 53-206c of the Connecticut General Statutes shall be permitted on the premises of the child day care center or group day care home unless the carrier of such weapon or facsimile firearm is a peace officer as defined in section 53a-3 of the Connecticut General Statutes.

(Added effective July 27, 1993; Amended effective August 8, 1995; November 6, 2008.)

19a-79-8a. Educational requirements

Each child day care center and group day care home shall develop and implement a written plan for the daily program that includes a flexible schedule and shall be available to the parent(s) and staff. Child day care centers and group day care homes shall have policies, procedures and activities that meet and enhance the individual needs of the diverse population of children served, which includes children with cultural, language and developmental differences.

- (a) The plan shall include:
 - (1) indoor and outdoor physical activities which provide opportunities for fine and gross motor development;
 - (2) problem-solving experiences that facilitate concept formation, language development and sensory discrimination;
 - (3) creative experiences which allow children the opportunity to develop and express their own ideas and feelings in all parts of the program, including, but not necessarily limited to:
 - (A) art and media,
 - (B) dramatic play,
 - (C) music,
 - (D) language, and
 - (E) motor activity;

19a-79-9a. Administration of medications

- (4) language learning experiences that provide opportunities for spontaneous conversation, as well as experiences with books, poems, stories and songs;
 - (5) experiences that promote self-reliance and build self-esteem, including, but not necessarily limited to, self care of body and clothing, care of possessions and shared group responsibility for equipment and materials;
 - (6) health education experiences that include modeling good health practices, sound nutrition and safety awareness.
- (b) The program shall include:
- (1) child-initiated and teacher-initiated activities;
 - (2) exploration and discovery;
 - (3) varied choices for children in materials and equipment;
 - (4) individual and small group activities;
 - (5) active and quiet play;
 - (6) rest, sleep or quiet activity;
 - (7) nutritious snacks and meals; and
 - (8) toileting and clean up.

(Added effective July 27, 1993; Amended effective November 6, 2008.)

19a-79-9a. Administration of medications

Group day care homes and child day care centers that administer medications of any kind shall comply with all requirements of this section and shall have written policies and procedures at the facility governing the administration of medications which shall include, but not be limited to, the types of medication that shall be administered, parental responsibilities, staff responsibilities, proper storage of medication and record keeping. Said policies and procedures shall be available for review by file commissioner during site inspections or upon demand and shall reflect best practice. A group day care home or child day care center shall not deny services to a child on the basis of a child's known or suspected allergy or because a child has a prescription for an automatic pre-filled cartridge injector or similar automatic injectable equipment used to treat an allergic reaction or for injectable equipment used to administer glucagon. A group day care home or child day care center shall not deny services to a child on the basis of a child's diagnosis of asthma or because a child has a prescription for an inhalant medication to treat asthma.

- (a) Administration of Nonprescription Topical Medications Only
- (1) Description
For the purposes of this section nonprescription topical medications shall include, but not be limited to:
 - (A) diaper changing or other ointments free of antibiotic, antifungal or steroidal components;
 - (B) medicated powders; and
 - (C) teething, gum or lip medications.
 - (2) Nonprescription Topical Medications Administration/Parent Permission Records
The written permission of the parent(s) shall be required prior to the administration of the nonprescription topical medication and a medication administration record shall be written in ink and kept on file at the facility for each child administered a nonprescription topical medication. The medication administration record and the parent(s) permission shall become part of the child's health record when the course of medication has ended. The parent(s) shall be notified of any medication administration errors immediately in writing and the error shall be documented in the record. The following information shall be included on a form as part of the medication administration record:
 - (A) the name, address, and date of birth of the child;
 - (B) the name of the medication;
 - (C) the schedule and site of administration of the medication;
 - (D) statement indicating that the medication has been previously administered to the child without adverse effect;

19a-79-9a. Administration of medications

- (E) the signature in ink of the director, head teacher, program staff or group day care home provider receiving the parent permission form and the medication;
 - (F) the name, address, telephone number, signature and relationship to the child of the parent(s) authorizing the administration of the medication;
 - (G) the date and time the medication is started and ended;
 - (H) Medication administration errors; and
 - (I) name of the person who administered the nonprescription topical medication.
- (3) Nonprescription Topical Medications/Labeling and Storage
- (A) The medication shall be stored in the original container and shall contain the following information on the container or packaging indicating:
 - (i) the individual child's name;
 - (ii) the name of the medication; and
 - (iii) directions for the medication's administration.
 - (B) The medication shall be stored away from food and inaccessible to children.
 - (C) Any unused portion of the medication shall be returned to the parent(s).
- (b) Administration of Medications Other Than Nonprescription Topical Medications
- (1) Training Requirements
- (A) Prior to the administration of any medication, the director(s), head teacher(s), program staff or group day care home provider(s) who are responsible for administering the medications shall first be trained by a physician, physician assistant, advanced practice registered nurse or registered nurse in the methods of administration of medications and shall receive written approval from the trainer which indicates that the trainee has successfully completed a training program as required herein. A director, head teacher, program staff or group day care home provider trained and approved to administer medication shall also be present whenever a child who has orders to receive medication is enrolled and present at the facility.
 - (B) The training in the administration of medications shall be documented and shall include, but not be limited to, the following:
 - (i) objectives;
 - (ii) a description of methods of administration including principles and techniques, application and installation of oral, topical and inhalant medication, including the use of nebulization machines, with respect to age groups;
 - (iii) administering medication to an uncooperative child;
 - (iv) demonstration of techniques by the trainer and return demonstration by participants, assuring that the trainee can accurately understand and interpret orders and carry them out correctly;
 - (v) recognition of side effects and appropriate follow up action;
 - (vi) avoidance of medication errors and the action to take if an error occurs;
 - (vii) abbreviations commonly used;
 - (viii) documentation including parent permission, written orders from physicians and the record of administration;
 - (ix) safe handling including receiving medication from the parent(s), safe disposal and standard precautions; and
 - (x) proper storage including controlled substances, in accordance with section 21a-262-10 of the Regulations of Connecticut State Agencies.
 - (C) the facility shall have staff trained in the administration of inhalant medication used to treat asthma on site during all hours when a child who has a diagnosis of asthma and who has a prescription for an inhalant medication to treat asthma is on-site.

19a-79-9a. Administration of medications

- (D) **Injectable Medications**
In addition to the above training, before a director, head teacher, program staff or group day care home provider may administer injectable medications, he shall have successfully completed a training program on the administration of injectable medications by a premeasured, commercially prepared syringe. The trainer, who shall be a physician, physician assistant, advanced practice registered nurse or registered nurse, shall assure that the director, head teacher, program staff or group day care home provider understands the indications, side effects, handling and methods of administration for injectable medication. Thereafter, on a yearly basis, the director, head teacher, program staff or group day care home provider shall have their skills and competency in the administration of injectable medication validated by a physician, physician assistant, advanced practice registered nurse or registered nurse. Injectable medications shall only be given in emergency situations, by a premeasured commercially prepared syringe, unless a petition for special medication authorization is granted by the department. The facility shall have staff trained in the use of an automatic prefilled cartridge injector or similar automatic injectable equipment used to treat an allergic reaction on site during all hours when a child with a prescription for an automatic prefilled cartridge injector or similar automatic injectable equipment used to treat an allergic reaction is on-site.
- (E) A program staff member currently certified by the State of Connecticut Department of Developmental Services, formerly the Department of Mental Retardation, to administer medications shall be considered qualified to administer medications for the modalities in which they have been trained at child day care centers or group day care homes.
- (2) **Training Approval Documents/Training Outline**
- (A) Upon completion of the required training program, the physician, physician assistant, advanced practice registered nurse or registered nurse who conducted the training shall issue a written approval to each director, head teacher, program staff or group day care home provider who has demonstrated successful completion of the required training. Approval for the administration of oral, topical and inhalant medications shall remain valid for three (3) years. Approval for the administration of injectable medications shall be valid for one (1) year. A copy of the approval shall be on file at the facility where the director, head teacher, program staff or group day care home provider is employed and shall be available to department staff upon request.
- (B) The written approval shall include:
- (i) the full name, signature, title, license number, address and telephone number of the physician, physician assistant, advanced practice registered nurse or registered nurse who gave the training;
 - (ii) the location and date(s) the training was given;
 - (iii) a statement that the required curriculum areas listed in subparagraphs (B) and (D) of subdivision (1) of this subsection when applicable were successfully mastered, and indicating the route(s) of administration the trainee has been approved to administer;
 - (iv) the name, address and telephone number of the director, head teacher, program staff or group day care home provider who completed the training successfully; and
 - (v) the expiration date of the approval.

19a-79-9a. Administration of medications

- (C) The trainer shall provide the trainee with an outline of the curriculum content which verifies that all mandated requirements have been included in the training program. A copy of said outline shall be on file at the facility where the trainee is employed for department review. The department may require at any time that the operator obtain the full curriculum from the trainer for review by the department.
- (3) Order From An Authorized Prescriber/Parent's Permission
 - (A) Except for nonprescription topical medications described in section 19a-79-9a(a) (1) of the Regulations of the Connecticut State Agencies, no medication, prescription or nonprescription shall be administered to a child without the written order of an authorized prescriber and the written permission of the child's parent(s) which shall be on file at the facility for at least two (2) years after the child is no longer attending the program. Such medications may include:
 - (i) oral medications;
 - (ii) topical medications;
 - (iii) inhalant medications; or
 - (iv) injectable medications, by a premeasured, commercially prepared syringe, to a child with a medically diagnosed condition who may require emergency treatment.
 - (B) The written order from an authorized prescriber shall be on one form that indicates that the medication is for a specific child and that contains the following information:
 - (i) the name, address and date of birth of the child;
 - (ii) the date the medication order was written;
 - (iii) the medication or drug name, dose and method of administration;
 - (iv) the time the medication is to be administered;
 - (v) the date(s) the medication is to be started and ended;
 - (vi) relevant side effects and the authorized prescriber's plan for management if they occur;
 - (vii) notation if the medication is a controlled drug;
 - (viii) a listing of any allergies, reactions to or negative interactions with foods or drugs;
 - (ix) specific instructions from the authorized prescriber who orders the medication regarding how the medication is to be given;
 - (x) the name, address and telephone number of the authorized prescriber ordering the drug;
 - (xi) the authorized prescriber's signature; and
 - (xii) the name, address, telephone number, signature and relationship to the child of the parent(s) giving permission for the administration of the drug by the director, head teacher, program staff or group day care home provider.
 - (C) If the authorized prescriber determines that the training of the director, head teacher, program staff or group day care home provider is inadequate to safely administer medication to a particular child, or that the means of administration of medication is not permitted under these regulations, that authorized prescriber may order that such administration be performed by licensed medical personnel with the statutory authority to administer medications.
 - (D) The director, head teacher, program staff or group day care home provider shall administer medication only in accordance with the written order of the authorized prescriber and shall not administer the first dose of any medication, except in an emergency. The parent(s) shall be notified of any medication administration errors immediately in writing and the error shall be documented in the record.
 - (E) Investigational drugs shall not be administered.

19a-79-9a. Administration of medications

- (4) Required Records
- (A) Except for nonprescription topical medications described in section 19a-79-9a(a)(1), individual written medication administration records for each child shall be written in ink, reviewed prior to administering each dose of medication and kept on file at the facility for at least two (2) years after the child is no longer attending the program. The medication administration record shall become part of the child's health record when the course of medication has ended.
- (B) The individual written administration record for each child shall include:
- (i) the name, address and date of birth of the child;
 - (ii) the name of the medication or drug;
 - (iii) the dosage ordered and method of administration;
 - (iv) the pharmacy and prescription number if applicable;
 - (v) the name of the authorized prescriber ordering the drug;
 - (vi) the date, time and dosage at each administration;
 - (vii) the signature in ink of the director, head teacher, program staff or group day care home provider giving the medication;
 - (viii) food and medication allergies;
 - (ix) level of cooperation from the child in accepting the medication;
 - (x) the date and time the medication is started and ended; and
 - (xi) medication administration errors.
- (5) Storage and Labeling
- (A) Medication shall be stored in the original child-resistant safety container. The container or packaging shall have a label which includes the following information:
- (i) the child's name;
 - (ii) the name of the medication;
 - (iii) directions for the medication's administration; and
 - (iv) the date of the prescription.
- (B) Except for nonprescription topical medications described in subdivision (1) of subsection (a) of this section, automatic prefilled cartridge injectors, or similar automatic injectable equipment used to treat an allergic reaction, injectable equipment used to administer glucagon or an inhalant medication to treat asthma and over the counter medications prescribed as an emergent first line of defense medication against an allergic reaction, medication shall be stored in a locked area or a locked container in a refrigerator in keeping with the label directions away from food and inaccessible to children. Keys to the locked area or container shall be accessible only to personnel authorized to administer medication. Controlled drugs shall be stored in accordance with section 21a-262-10 of the Regulations of Connecticut State Agencies.
- (C) Equipment and medications prescribed to treat asthma, administer glucagons, or as an emergent first line of defense medication against an allergic response shall be stored in a safe manner, inaccessible to other children, to allow for quick access in an emergency.
- (D) All unused or expired medication shall be returned to the parent(s) or disposed of if it is not picked up within one (1) week following the termination of the order, in the presence of at least one witness. The facility shall keep a written record of the medications destroyed which shall be signed by both parties.
- (E) The facility shall require the parent(s) of a child who has a prescription for an automatic prefilled cartridge injector, or similar automatic injectable equipment used to treat an allergic reaction or injectable equipment used to administer glucagon or inhalant medication to treat asthma, to provide the injector or equipment labeled with the information from the prescriber upon enrollment and attendance of such child at the facility, and replace such medication and equipment prior to its expiration date.

19a-79-9a. Administration of medications

- (6) Children enrolled at the facility may self administer medications with documented parental and authorized prescriber's permission. Children may request and receive assistance from staff in opening containers or packages or replacing lids. Children who self administer medications shall be able to identify and select the appropriate medication by size, color, amount or other label identification; know the frequency and time of day for which the medication is ordered; and consume the medication appropriately. Medication to be self administered shall be stored in accordance with section 19a-79- 9a(b)(5) of the Regulations of Connecticut State Agencies.
- (7) Petition For Special Medication Authorization
- (A) The operator of a child day care center or group day care home may petition the department to administer medications to a child cared for at the child day care center or group day care home by a modality which is not specifically permitted under these regulations by submitting a written application to the department including the following information:
- (i) a written order from an authorized prescriber containing the information for the specific child set forth in subdivision (3)(B) of this subsection and a statement that the administration by the requested modality is the only reasonable means of providing medication and that the administration must occur during hours of the child's attendance at the facility;
 - (ii) a written training plan including the full name, signature, title, license number, address and telephone number of the physician, advanced practice registered nurse, physician assistant or registered nurse who shall provide the training, a detailed outline of the curriculum areas to be covered in training and a written statement by the authorized prescriber that the proposed training is adequate to assure that the medication shall be administered safely and appropriately to the particular child;
 - (iii) name, address and telephone number of the person(s) who shall participate in the training;
 - (iv) written permission from the child's parent(s); and
 - (v) such other information that the department deems necessary to evaluate the petition request.
- (B) After reviewing the submitted information, if the department determines that the proposed administration of medication for the particular child can be provided in a manner to assure the health, welfare and safety of the child, it may grant the petition. The department may grant the petition with any conditions or corrective measures which the department deems necessary to assure the health, safety and welfare of the child. The department shall specify the curriculum that the training program shall cover and the expiration date of the authorization provided in granting the petition. If the department grants the petition, no medication may be administered until after the proposed training program has been successfully completed and a written certification from the physician, physician assistant, advanced practice registered nurse or registered nurse who provided the training is submitted to the department. The certification shall include:
- (i) the full name, signature, title, license number, address and telephone number of the physician, physician assistant, advanced practice registered nurse or registered nurse who provided the training;
 - (ii) the location and date(s) the training was given;
 - (iii) a statement that the curriculum approved by the department was successfully mastered and stating the modality of administration of medication that the trainee has been approved to administer; and
 - (iv) the name, address and telephone number of the person(s) who successfully completed the training.

19a-79-9a. Administration of medications

- (C) Copies of all documentation required under this subsection shall be maintained at the facility. The requirements of subsection (b) (4) and (b) (5) of this section shall apply to the administration of medication authorized by petition.
- (c) **Cease and Desist Orders**
If the department determines that the health, safety or welfare of a child in the child day care center or group day care home imperatively requires emergency action to halt the administration of medications by a director, head teacher, program staff or group day care home provider in a child day care center or group day care home, the department may issue a cease and desist order requiring the immediate cessation of the administration of medications by a director, head teacher, program staff or group day care home provider in the facility. The department shall provide an opportunity for a hearing regarding the order within ten (10) business days of date the order is issued. Upon receipt of the order, the operator shall cease the administration of all medications and provide immediate notification to the parent(s) of all children under his care that no medications may be administered at the child day care center or group day care home until such time as the cease and desist order is terminated.
- (d) **Emergency Distribution of Potassium Iodide**
Notwithstanding any other provisions of the Regulations of Connecticut State Agencies, during a public health emergency declared by the Governor pursuant to section 19a-131a of the Connecticut General Statutes and if authorized by the Commissioner of Public Health via the emergency alert system or other communication system, a child day care center or group day care home licensed in accordance with section 19a-80 of the Connecticut General Statutes and located within a ten (10) mile radius of the Millstone Power Station in Waterford, Connecticut shall permit designated staff members to distribute and administer potassium iodide to adults present or to a child in attendance at the child day care center or group day care home during such emergency, provided that:
- (1) prior written consent has been obtained by the child day care center or group day care home for such provision. Written consent forms shall be provided by the child day care center or group day care home to the parent(s) of each child currently enrolled or employees currently employed by the child day care center or group day care home promptly upon the effective date of this subdivision. Thereafter, written consent forms shall be provided by the child day care center or group day care home to the parent(s) of each minor child upon enrollment and to each new employee upon hire. Such documentation shall be kept at the facility;
 - (2) each person providing consent has been advised in writing by the child day care center or group day care home that the ingestion of potassium iodide is voluntary;
 - (3) each person providing consent has been advised in writing by the child day care center or group day care home about the contraindications and the potential side effects of taking potassium iodide, which include:
 - (A) persons who are allergic to iodine should not take potassium iodide;
 - (B) persons with chronic hives, lupus or other conditions with hypocomplementemic vasculitis should not take potassium iodide;
 - (C) persons with Graves disease or people taking certain heart medications should talk to their physician before there is an emergency to decide whether or not to take potassium iodide; and
 - (D) side effects may include minor upset stomach or rash;
 - (4) child day care centers and group day care homes shall have designated staff members to distribute and administer potassium iodide to those individuals and minor children for whom prior written consent has been obtained. Such designated staff members shall be eighteen (18) years of age or older and shall have been instructed by the child day care center or group day care home in the administration of potassium iodide. Such instruction shall include, but not be limited to, the following:
 - (A) the proper use and storage of potassium iodide;
 - (B) the recommended dosages of potassium iodide to be administered to children and adults as prescribed by the Food and Drug Administration; and

19a-79-10. Under three endorsement

- (5) potassium iodide shall be stored in a locked storage area or container, inaccessible to children.
(Added effective November 3, 1997; Amended effective March 8, 2004; January 4, 2005; November 6, 2008.)

19a-79-10. Under three endorsement

- (a) The operator of a program caring for children under three (3) years of age shall comply with section 19a-79-1a to section 19a-79-10, inclusive, and section 19a-79-13 of the Regulations of Connecticut State Agencies.
- (b) A program caring for children under three (3) years of age is required to have a separate endorsement by the department.
- (c) Infants and toddlers
- (1) Age. Children from six (6) weeks to thirty six (36) months of age shall be considered infants and toddlers.
- (2) Ratio. There shall be at least one (1) program staff qualified under section 19a-79-4a(d) of the Regulations of Connecticut State Agencies for every four (4) children or fraction thereof in attendance.
- (3) Group size. The group size shall not exceed eight (8) children.
- (4) There shall be a physical barrier separating each group of eight (8) children, indoors and outdoors.
- (d) Special equipment
Each child day care center and group day care home shall have equipment and furniture to meet the developmental needs of the children served.
- (1) Sinks
- (A) In child day care centers there shall be a sink with hot and cold running water designated for diaper changing and hand washing of staff and children. This sink shall be located in the program space. Visual contact with all other children shall be maintained while changing diapers or using the sink. Child day care centers which staff three (3) adults to a group size of eight (8) infants or toddlers may use an accessible diaper changing facility if it is immediately adjoining the program area.
- (B) Separate sinks shall be available for purposes other than hand washing after diaper changing within child day care centers.
- (C) Group day care homes shall have a sink accessible for hand washing other than the sink used for food preparation.
- (2) Furniture shall include:
- (A) well constructed free standing cribs, not stacked cribs, each of which has slats no more than two and three-eighths (2 3/8) inches apart and a fully waterproofed, firm, snug-fitting mattress for infants;
- (B) washable cots for toddlers;
- (C) chairs for feeding, each of which has a stable base, safety straps on all high chairs attached to the chair and a tray which locks securely;
- (D) low tables and chairs according to children's size and development; and
- (E) a refrigerator and facilities to store and heat food and bottles.
- (3) Furniture may include but not be limited to:
- (A) strollers, each of which has a stable base, firmly attached safety straps and tightly locking brakes;
- (B) play pens, each of which has either small weave mesh netting or slats no more than two and three-eighths (2 3/8) inches apart, a firm floor with a secured foam pad and hinges that lock tightly; and
- (C) an adult rocking chair.

19a-79-10. Under three endorsement

(e) Diapering and toileting

- (1) The diapering area shall be an elevated sturdy table or counter equipped with a safety rail.
- (2) Infants and toddlers shall be diapered at a diapering area used only for this purpose and located in the program area.
- (3) Each diapering area shall have a non-porous surface and be kept in good repair.
- (4) Diapering areas shall be washed and disinfected after each use.
- (5) Disposable paper sheets shall be used and discarded immediately after each diapering.
- (6) A covered washable lined waste receptacle shall be available and located in a convenient place for soiled waste material. These materials shall be removed to an exterior waste storage area at least daily.
- (7) The hands of the staff and the children shall be washed before and after each diaper change.
- (8) Diapering and hand washing policies and procedures shall be posted in each diapering area.
- (9) Disposable diapers shall be discarded in a covered receptacle immediately after diapering.
- (10) When cloth diapers or training pants are used, a plan for their use and care shall be submitted to and approved by the department prior to implementation of the plan. This plan shall include, but not necessarily be limited to, these procedures:
 - (A) placing soiled clothing and diapers in a sealed air tight container,
 - (B) removing soiled clothing and diapers from the child day care center or group day care home daily, and
 - (C) cleaning and sanitizing the container daily.

(f) Linens and clothing and bedding

- (1) A supply of linen and emergency clothing shall be available for each child in the child day care center or group day care home at all times.
- (2) All children's linens shall be washed at least weekly and as needed.
- (3) Each child's linens and clothing shall be stored individually. Plastic bags shall not be accessible to infants and toddlers.
- (4) When cribs and cots are shared, they must be washed and disinfected and linens changed between children.

(g) Sleep arrangements

- (1) Infants under twelve (12) months of age shall be placed in a supine (back) position for sleeping in a well constructed, free standing crib or bed designed for infant sleeping, with a snug fitting mattress unless the child has written documentation from a physician, physician assistant or advanced practice registered nurse specifying a medical reason for an alternative sleep position.
- (2) When infants can easily turn over from the supine to the prone position, they shall be put down to sleep on their back, but allowed to adopt whatever position they prefer for sleep.
- (3) Soft surfaces and gas-trapping objects such as pillows, quilts, sheepskins, soft bumpers or stuffed toys shall not be placed under or with an infant for sleeping and shall be kept out of the infant's crib or bed.
- (4) No infant shall be put to sleep on a sofa, soft mattress, waterbed or other soft surface. No infant shall be put to sleep in a child restraint system intended for use in a vehicle, an infant carrier, a swing or any place that is not specifically designed to be an infant bed unless the child has written documentation from a physician, physician assistant or advanced practice registered nurse specifying a medical reason for their use.

(h) Toys and other objects

- (1) Toys used for infants shall be kept separate, washed and disinfected at least daily. Toys for toddlers, including floor and riding toys, shall be washed and disinfected at least weekly and as needed.

19a-79-11. School age children endorsement

- (2) Toys and other objects with a diameter of less than one and one-quarter (1 1/4) inches, objects with removable parts that have a diameter of less than one and one-quarter (1 1/4) inches, plastic bags, balloons and Styrofoam objects shall not be accessible to children under three (3) years of age.
- (i) Health consultant
 - (1) A health consultant shall visit the program on the days and times children under the age of three (3) are present. The scheduled times of the visits shall be arranged so that all children under the age of three (3) are observed. The health consultant shall prepare and maintain signed documentation of visits which shall be kept on the licensed premises.
 - (2) The health consultant shall visit the program according to the following schedule:
 - (A) once a week for children up to twenty-four (24) months of age,
 - (B) once a week for children two (2) to three (3) years of age attending a full day, and
 - (C) once a month for children two (2) to three (3) years of age attending part day programs.
- (j) Infants shall be removed from their cribs and held for all bottle feedings. They may be placed in chairs for all other feedings. Infants and toddlers shall be removed from their cribs or playpens at other intervals during the day for individual cuddlings and for verbal communication. They shall be allowed to crawl and toddle as age and development permit. Each infant shall be placed in a prone (front) position part of the time when awake.
- (k) Foods and Liquids. When food and liquids are served:
 - (1) a written statement specifying the formula, breast milk or other liquids and the feeding schedule for infants shall be obtained from the parent(s),
 - (2) unused portions of formula, breast milk or other liquids shall be discarded after each feeding,
 - (3) clean bottles shall be provided by the parent(s) unless the facility uses disposable bottles or has a dishwasher or dishwashing system approved by the local health director to wash bottles,
 - (4) baby food shall be served from a dish unless the whole contents of the jar will be served, and
 - (5) each child's bottle shall be individually identified with the child's name.
- (l) Outdoor play space
 - (1) All infant toddler play space shall be fenced.
 - (2) The equipment available to the infants and toddlers shall be developmentally appropriate for the ages of the children.
(Added effective July 27, 1993; Amended effective August 8, 1995; November 6, 2008.)

 - (C) Toiletries shall include a towel, washcloth, toothbrush, toothpaste and soap.
 - (D) Bedding and sleeping apparel shall be laundered weekly and as needed.
- (7) Sleep arrangements for infants shall comply with section 19a-79-10(g) of the Regulations of Connecticut State Agencies.
- (8) The ambient air temperature shall be maintained to at least sixty-five (65) degrees Fahrenheit measured at thirty six (36) inches from the floor.
- (9) There shall be written approval from the local fire marshal specifying the hours of operation.
- (10) There shall be written approval from the local health director for night care.
(Added effective July 27, 1993; Amended effective November 6, 2008.)

19a-79-13. The monitoring of diabetes in child day care centers and group day care homes

- (a) Policy and Procedures
 - (1) All child day care centers and group day care homes at which designated staff members will be administering finger stick blood glucose tests shall have written policies and procedures governing the administration of finger stick blood glucose tests to children diagnosed with diabetes mellitus. The policies and procedures shall address at least the following areas:
 - (A) parental responsibilities;
 - (B) staff training and responsibilities;
 - (C) proper storage, maintenance and disposal of test materials and supplies;
 - (D) record keeping;
 - (E) reporting test results, incidents and emergencies to the child's parent(s) and the child's physician, physician assistant or advanced practice registered nurse; and
 - (F) a location where the tests occur that is respectful of the child's privacy and safety needs.
 - (2) Said policies and procedures shall be available for review by the department during facility inspections or upon demand.
- (b) Training
 - (1) Prior to the administration of finger stick blood glucose tests, the director, head teacher, program staff or group day care home provider shall have completed the following training requirements:
 - (A) a course approved by the department in first aid, as verified by a valid first aid certificate on file at the facility; and
 - (B) additional training given by a physician, physician assistant, advanced practice registered nurse, registered nurse, certified emergency medical technician or the child's parent(s) according to written guidelines provided by the child's physician, physician assistant or advanced practice registered nurse. The additional training shall include, but not be limited to:

19a-79-13. The monitoring of diabetes in child day care centers and group day care homes

- (i) the proper use, storage and maintenance of the child's individual monitoring equipment;
 - (ii) reading and correctly interpreting test results; and
 - (iii) appropriate actions to take when test results fail to fall within specified ranges indicated in the written order from the child's physician, physician assistant or advanced practice registered nurse.
 - (2) The training shall be updated at least every three years when a child with diabetes mellitus who requires finger stick blood glucose testing is present at the facility.
 - (3) Documentation that staff has been trained to administer finger stick blood glucose tests shall be in writing and kept at the facility for review by the department. Such documentation shall indicate:
 - (A) the subjects covered in training;
 - (B) the signature and title of the instructor;
 - (C) the signature and title of the trainee; and
 - (D) the date the training was given.
- (c) Administration of Finger Stick Blood Glucose Test
- (1) Except as provided in subdivision (3) of this subsection, only staff members trained in accordance with subsection (b) of this section may administer the finger stick blood glucose test in a child day care center or group day care home.
 - (2) Whenever a child diagnosed with diabetes mellitus who has orders to receive finger stick blood glucose monitoring is enrolled and present at the facility, a staff member designated and trained to administer finger stick blood glucose tests shall be present at the facility.
 - (3) Upon the written authorization of the child's physician, physician assistant or advanced practice registered nurse and the child's parent(s), a child may self administer the finger stick blood glucose test under the direct supervision of the designated staff member who has met the training requirements in subsection (b) of this section.
 - (4) The operator of a child day care center or group day care home may petition the department to permit staff to administer glucagon by injection, in emergency situations only, in accordance with section 19a-79-9a(b)(7) of the Regulations of Connecticut State Agencies.
- (d) Equipment
- (1) The child's parent(s) shall supply the operator with the necessary equipment and supplies to meet the child's individual needs.
 - (2) Such equipment and supplies shall be labeled with the child's name and shall remain inaccessible to other children when not in use.
 - (3) The operator shall obtain a signed agreement from the child's parent(s) that the parent(s) agrees to check and maintain the child's equipment in accordance with manufacturer's instructions, restocks supplies and removes material to be discarded from the facility on a daily basis. All materials to be discarded shall be kept locked until it is given to the child's parent(s) for disposal.
- (e) Record Keeping
- The operator shall keep the following records at the facility as part of the child's medical record, and shall update them annually or when there is any change in the information.
- (1) A current, written order signed and dated by the child's physician, physician assistant or advanced practice registered nurse indicating:
 - (A) the child's name;
 - (B) the diagnosis of diabetes mellitus;
 - (C) the type of blood glucose monitoring test required;
 - (D) the test schedule;
 - (E) the target ranges for test results;
 - (F) specific actions to be taken and carbohydrates to be given when test results fall outside specified ranges;
 - (G) diet requirements and restrictions;

19a-79-13. The monitoring of diabetes in child day care centers and group day care homes

- (H) any requirements for monitoring the child's recreational activities; and
 - (I) conditions requiring immediate notification of the child's parent(s), emergency contact, the child's physician, physician assistant or advanced practice registered nurse.
- (2) An authorization form signed by the child's parent(s) which includes the following information:
- (A) the child's name;
 - (B) the parent(s) name;
 - (C) the parent(s) address;
 - (D) the parent(s) telephone numbers at home and at work;
 - (E) two adult, emergency contact people including names, addresses and telephone numbers;
 - (F) the names of staff designated to administer finger stick blood glucose tests and provide care to the child during testing;
 - (G) additional comments relative to the care of the child, as needed;
 - (H) the signature of the parent(s);
 - (I) the date the authorization is signed; and
 - (J) the name, address and telephone number of the child's physician, physician assistant or advanced practice registered nurse.
- (3) The operator shall notify the child's parent(s) daily in writing of the results of all blood glucose tests and any action taken based on the test results, and shall document the test results and any action taken in the child's medical record.
(Added effective June 30, 1998; Amended effective November 6, 2008.)
