

Welcome!

Accreditation Quality Improvement Support (AQIS) offers many opportunities to engage in professional learning **centered on NAEYC Accreditation and ongoing quality improvement**. AQIS is **funded through the Office of Early Childhood (OEC)**, in partnership with ACES, CES, CREC, EdAdvance, EASTCONN, and LEARN.

You'll find the following **free professional development** in this listing for January 2024 - March 2024:

Page 3 - 4: [General Study Groups](#)

Pages 5 - 6: [Standard Specific Study Groups](#)

Pages 7 - 11: [Statewide Professional Learning](#)

[January](#)

[February](#)

[March](#)

Pages 12 - 13: [AQIS Facilitator Office Hours](#)

Pages 14 - 16: [Administrators' Forum](#)

As you consider registering for sessions, please consider the following:

Virtual sessions are live and interactive. Your **active participation** is valuable to the success of the session. Be prepared to:

- *Share your thoughts and ideas when prompted*
- *Engage in conversation with other participants both in the larger group and in breakout rooms*
- *Ensure that you can devote your undivided attention to the session*

Please avoid registering for sessions during work when you are responsible for the supervision of children.

Also, you need to be able to do the following on the device you use:

- *mute/unmute yourself*
- *find the chat box and enter text*
- *open documents shared by the presenter*

Study Groups

Join your regional AQIS facilitators and community peers to discuss the teaching and leadership practices that define quality in the field of early childhood education. These sessions will provide engaging opportunities for you to reflect upon current practices in your program, determine your strengths, and identify next steps for improvement. We will model a team approach for exploring different components of quality through the lens of the NAEYC Early Learning Program Accreditation Standards. This model can be replicated with others from your program who are not able to attend the session(s). Each session will focus on a standard by discussing the “big ideas” conveyed in the [NAEYC Early Learning Program Accreditation Standards and Assessment Items](#); participants should bring a copy of the standards with them to each session. Discussion will center on the analysis and implementation of recommended practices and will provide participants with strategies to extend conversations to their own settings.

Some study groups are more “organic” with NAEYC Standards and Topic Areas being chosen by the group from month to month. These are in the section titled **General Monthly Study Groups (page 3)**. Other study groups have NAEYC Standards and Topic Areas determined ahead of time and are in the section titled **Standard Specific Study Groups (page 4)**. Participants can attend as many or as few as they need! Choose the format that best meets your needs!

Study groups are open to Administrators and Educators from **any** program (NAEYC Accredited or not). Once you register, you will be sent a confirmation email with information about the Zoom link and related materials. **If you find you are unable to join, please contact the presenter** (email address is in the schedule) to let them know, so we can invite participants from the waiting list in your place. Most sessions have capacity limits and are not recorded. You will not have access to a recording by registering and not attending.

We hope to “see” you soon!

General Monthly Study Group: Standards/Topic Areas determined by group from session to session

General Monthly Study Group: NAEYC Early Learning Program Standards and Assessment Items

These sessions are a facilitated discussion based on the NAEYC Early Learning Program Accreditation Standards and Assessment Items. Each session will focus on a standard by discussing the “big ideas” conveyed in these documents. Discussion will center on the analysis of best practices and what it looks like in practice. The study group process will model a team approach for exploring the Standards and will provide participants with strategies to extend discussions to their own settings.

Intended audience: Educators and Program Administrators, for renewals and initials

Statewide Professional Learning Opportunities

Join colleagues and AQIS facilitators from across the state to engage in professional learning connected to NAEYC Early Learning Program Standards and Assessment Items. These opportunities will follow a set agenda, with defined goals and outcomes. Each session (or series) is open to any early childhood professional in any region who is interested in exploring high quality practices that support children, families, and communities. **If you find you are unable to join, please contact the presenter** (email address is in the schedule) to let them know, so we can invite participants from the waiting list in your place. Most sessions have capacity limits and are not recorded. You will not have access to a recording by registering and not attending.

To ensure you have all the latest information you can check out the [AQIS Page](#) on the Office of Early Childhood (OEC) website.
