

service navigators

YOUR PERSONAL GUIDE TO ELEVATE YOUR PROGRAM

OEC Service Navigators are an important part of Elevate, CT's Quality Improvement System from the Office of Early Childhood. Service Navigators guide you to build your program's quality based on your needs, at your own pace.

Service Navigators are available to ALL of CT's early care and education providers!

How can a Service Navigator help me?

Service Navigators are all about personal support. Service Navigators:

- Link you to the right people for your unique needs
- Connect you to free professional development
- Guide the completion of Elevate Program Plans
- Help you explore Elevate's foundational 5 Focus Areas for up-to-date resources to help you achieve your specific program goals

How can I connect with my Service Navigator?

- Phone
- Email
- In-person site visit
- Virtual meeting

Visit our website to find your town's Service Navigator. Family child care homes can reach out to their Staffed Family Child Care Network.
